## **Top Plus Size Fashion Secrets:**

Selling Sexy Lauren Sherman, Chantal Fernandez, 2024-10-08 The story of how Victoria's Secret skyrocketed from a tiny chain of boutiques to a retail phenomenon with more than 8 billion in annual sales at its peak all while defining an impossible beauty standard for generations of American women before the brand's tight grip on the industry finally slipped Victoria's Secret is one of the most influential and polarizing brands to ever infiltrate the psyche of the American consumer Almost right at its start in the late 1970s the company developed a cult following for its glamorous catalogs Back then shoppers had few alternatives to the stodgy department stores that sold most of the nation's intimate apparel By 1982 the founders of Victoria's Secret avoided bankruptcy by selling to Les Wexner the fast fashion pioneer behind the Limited whose empire of mall brands would go on to dominate American retail for forty years Wexner turned Victoria's Secret into a multibillion dollar business and the brand's cultural influence soared thanks to its airbrushed advertisements and annual televised fashion show which drew millions of viewers each year Its supermodel spokeswomen the sweet but sultry Angels personified a new American beauty standard But as our definition of beauty expanded Victoria's Secret failed to evolve and reached a crisis point Meanwhile Wexner became increasingly known for his complicated relationship with sex trafficker Jeffrey Epstein his former financial adviser and confidant Selling Sexy expertly draws from sources within Victoria's Secret and across the industry to examine the unprecedented rise of one of the most innovative brands in retail history a brand that today under new ownership is desperately trying to seduce shoppers again

The Power of Plus Gianluca Russo, 2022-08-16 One of Vogue Business 100 Innovators 2022 The Power of Plus will leave you feeling inspired motivated and ready to push for real change as well as confident and encouraged to embrace yourself just as you are This is essential reading for anyone who truly cares about the future of fashion and for anyone who believes in the power of being yourself Versha Sharma editor in chief Teen Vogue Plus size fashion revolutionizes the way women view themselves and their bodies Exclusivity runs within the foundation of fashion While calls for diversity have intensified recently long held attitudes are only beginning to change But through social media plus size people have been able to create supportive communities that show their confidence strength and beauty Plus size fashionistas have been writing their own narrative for the past three decades creating a market all on their own that is now worth more than 21 billion The Power of Plus features interviews with trailblazers such as Tess Holliday Emme Aronson Gabi Gregg and more as it follows the evolution of plus size fashion from its start on small blogs to its current boom examining the way this market has changed women's relationships with their bodies and how plus size fashion is integral to the future success of the industry Plus size fashion is not a PR stunt It is a culture changing market created by and for the people who have always deserved to feel stylish but never had the visibility to be until now By honoring our progress so far The Power of Plus celebrates the next stage of the plus size fashion movement
