Subject Guide to Books ,1927 Contents v 1 History travel description **Qualitative Research Practice** Jane Ritchie,Jane Lewis,2003-02-18 Providing a clear and accessible account of the qualitative research process this book discusses the different forms and uses of qualitative research the design data collection analysis and reporting

Qualitative Researching with Text, Image and Sound Paul Atkinson,Martin W Bauer,George Gaskell,2000-06-22 This excellent text will introduce advanced students and remind senior researchers of the availability of a broad range of techniques available for the systematic analysis of social data that is not numeric It makes the key point that neither quantitative nor qualitative methods are interpretive and at the same time demonstrates once and for all that neither a constructivist perspective nor a qualitative approach needs to imply abandonment of rigor That the chapters are written by different authors makes possible a depth of expertise within each that is unusually strong Susanna Hornig Priest Texas A Author of Doing Media Research Qualitative Researching with Text Image and Sound off **Developing Questions for Focus Groups** Richard A. Krueger,1997-07-24 Struggling with focus groups questions Asking the right questions is critical in focus group interviewing Developing Questions in a Focus Group describes a practical process for identifying powerful themes and offers an easy to understand strategy for translating those themes into questions Richard A Krueger suggests ways of categorizing phrasing and sequencing focus group questions Going beyond material presented in his earlier books Krueger shares ideas for questions that get participants actively involved in the focus group interview by asking participants to make lists create report cards sort pictures draw cut and paste or participate in a mini debate The results of these activities not only yield insightful information but are also interesting and fun This book helps make the process of developing good questions doable by outlining a process and offering many examples After reading this book your focus groups will never be the same *Computer-Human Interaction Research and Applications* Hugo Plácido da Silva,Pietro Ciproso,2025-03-07 This two volume set CCIS 2370 and CCIS 2371 constitutes the proceedings of the 8th International Conference on Computer Human Interaction Research and Applications CHIRA 2024 held Porto Portugal during November 21 22 2024 The 16 full papers and 45 short papers presented in these volumes were carefully reviewed and selected from 76 submissions These papers focus on the research advancements and practical applications within various areas in the field of Computer Human Interaction including Human Factors and Information Systems Interactive Devices Interaction Design and Adaptive and Intelligent Systems **Realist Evaluation** Ana Manzano,Emma Williams,2024-11-29 Realist Evaluation Principles and Practice offers a comprehensive exploration of contemporary realist evaluation showcasing how skilled practitioners navigate diverse fieldwork contexts Authored by experts spanning academia and evaluation backgrounds across five continents in fields including climate change criminology health and international development the book provides a rich tapestry of perspectives Covering participatory approaches digital and visual data collection interpreter mediated interviews

and innovative methods like refuse data analysis the authors delve into contemporary social research methodologies while addressing issues such as power insider outsider research the nature of evidence critical and scientific realism philosophies of science and confirmation bias in qualitative research Practical advice is provided in areas such as developing a topic guide combining a realist review with an evaluation and managing large multi site cross national projects This collection underscores the creative nature of the realist imagination highlighting ongoing innovations by scholars and evaluators With contributions from an outstanding group of internationally renowned experts in realist evaluation including Nick Tilley a key figure in the development of realist evaluation alongside Ray Pawson this is the ideal text for students researchers and professionals including policy makers professional evaluators and those at organisations such as thinktanks and NGOs who require an accessible guide on how to use realist evaluation methods *Reference Guides that Should be Known and how to Use Them* Florence May Hopkins,1916 **An Introduction to Library Classification** William Charles Berwick Sayers,1918 Index to Legal Periodicals Eldon Revare James,1909 **Report** State Library of Massachusetts,1913 **Film and Radio Discussion Guide** ,1943 *Library Books* Los Angeles Public Library,1914 Monthly Bulletin Los Angeles Public Library,1913 *Exhaustive Legal Search* George Nimmons Foster,1917 This book has its roots in classroom notes The author is clearly less concerned about the transmission of factual data about law books of the day more interested in helping students develop a technique which could be applied to a variety of research problems **Historical Outlook** ,1924 **An Introduction to Library Classification** W.
