Cat Fisa's destiny has finally caught up with her. But fully accepting her fate means taking a final terrifying step: reuniting all three realms and embracing her place as Queen with warlord-turned-king Griffin at her side. Yet forging their kingdom can only mean going to war with Fisa and its violent Alpha Cat's own mother, Andromeda. Although Cat used to be Andromeda's sole weakness, that's no longer true. And while Andromeda seems to know every trick and spell, Cat's own magic refuses to work like it should. When tragedy strikes, Cat unleashes the power she's been afraid of all her life, but her misuse of the Gods' gifts comes with a terrible price: Ripped away from Griffin and the home she's come to love, Cat's only option is to fully accept the power she's always denied so that she can return to the people she loves, confront her murderous mother, and finish restoring her kingdom, no matter the ultimate cost.

**Loving the White Liar** Kate Stewart, 2015-07-20 I met my true love when I was twenty-seven. He was handsome, charming, witty, and irresistible. Jayden Monroe came along when I was struggling with indecision and made things simple, turned monochrome into vivid color, and forever altered my perspective on life. I was not naive enough to believe in happily ever after, but with Jayden it seemed possible until I realized something wasn't quite right. You see, I met a man who would be anyone I needed him to be, and after I found out that fact, I knew it would be impossible to walk away. His disorder, however, would change everything I ever thought about love and what it truly meant to accept someone for who they are. This is not my sob story; this is his success story. **Rise** Katie Klein, 2018-09-07 She's the best violinist her inner-city high school has ever seen. He's on the fast track to nowhere. For Nick and Fallon, it starts with a kiss, a kiss that becomes the calm before their storm. Because Nick is not the only guy in love with Fallon, and Fallon is not the only girl with her eyes on Nick. As Nick's past returns to haunt him, Fallon's home situation will shift from precarious to dangerous, leaving them both to pick up the shattered fragments of a life from which they were desperately trying to break free. Can Nick shed his slacker skin to prove himself worthy of the girl he fell in love with on a playground almost a decade ago? Can Fallon take a leap of faith, opening her heart to the guy who, despite his shadows, is promising to be her everything? Because if they can, they just might find a happily ever after they were too scared to even
