As she returned to her apartment, anxiety and uncertainty consumed her. She questioned her decision, wishing she hadn't accepted. The next day, Cara arrived at Ethan's office early, still shaken from the previous day's conversation. Determined to focus on work, she composed herself as best she could. Ethan was

already at his desk engrossed in his computer He looked up as she entered Good morning Cara he greeted warmly Good morning Mr Lane she replied striving for professionalism Please call me Ethan he said with a smile We ll be spending a lot of time together first names are better Cara nodded feeling a spark at the sound of her name from his lips Ethan stood and approached her his gaze lingering on her lips She felt a blush rise to her cheeks I know this is a lot to take in he said softly But I promise it will be worth your while Despite his bold proposal Cara couldn t deny her attraction to Ethan There was something about him that made her heart race and her palms sweat She needed him Now The deal was simple but the emotions are anything but How long can Cara pretend before their dangerous secret becomes a breathtaking reality Start reading now Add this story to your Google Play library to read it anytime anywhere on all your devices romance novels romance books billionaire romance dark romance contemporary romance romantic suspense enemies to lovers friends to lovers second chance romance forbidden love alpha male strong heroine steamy romance spicy romance slow burn romance new adult romance young adult romance college romance high school romance workplace romance office romance boss romance CEO romance marriage of convenience fake relationship arranged marriage secret baby surprise baby single dad romance single mom romance nanny romance bodyguard romance military romance cowboy romance western romance royal romance prince romance princess romance king romance queen romance mafia romance mob boss romance crime family romance bad boy romance good girl romance redemption alpha male romance romance romance tortured hero romance protective hero possessive hero dominant hero submissive heroine age gap romance older man younger woman May December romance taboo romance forbidden romance professor romance mentor romance fantasy romance paranormal romance vampire romance werewolf romance shifter romance dragon shifter romance fae romance witch romance wizard romance demon romance angel romance ghost romance gothic romance historical romance regency romance victorian romance medieval romance renaissance romance time travel romance Scottish highlander romance pirate romance adventure romance exotic romance travel romance destination romance holiday romance Christmas romance Valentine s Day romance summer romance beach romance island romance vacation romance small town romance hometown romance family saga romance drama romance heartwarming romance heartbreakin romance emotional romance first in series passionate romance sexy romance sensual romance seductive romance captivating romance addictive romance unputdownable romance trilogy romance duology romance standalone romance cliffhanger romance series romance box set romance anthology romance novella romance short story romance bestseller romance trending romance hot deals romance free romance discounted romance limited time romance must read romance award winning romance popular romance book club romance romance novels billionaire romance dark romance contemporary romance romantic suspense enemies to lovers friends to lovers second chance romance forbidden love alpha male strong heroine steamy romance spicy romance slow burn romance new adult romance young adult romance college romance workplace romance office romance boss romance CEO romance
