*Young Rich Widows* Vanessa Lillie, Layne Fargo, Cate Holahan, Kimberly Belle, 2024-04-02 An 80s romp with big hair and even bigger secrets Grab your popcorn and settle in for this incredibly fun and twisty read Jeneva Rose New York Times bestselling author of *You Shouldn't Have Come Here* 1985 Rhode Island A private jet carrying four partners of a Providence law firm crashes outside New York City killing all aboard but leaving behind more questions than answers and setting the stage for four widows to find the truth Justine a former fashion model adjusting to suburban life Camille a beautiful young second wife whom some suspect is a gold digger Meredith a stripper who was in a relationship with the firm's only female partner Krystle a founding partner's wife committed to the firm being a legacy for her sons While the crash is initially ruled a tragic accident something's not adding up the team wasn't supposed to be in New York that day and it's soon revealed there was a very large sum of cash that burned up with the plane The scene is as wild as 80s neon and the manic chase to uncover the Mafia laced secrets gives this rip roaring read a rad vibe that will linger long after the 80s soundtrack fades and the hairspray falls *Young Rich Widows* is hands down the most original thriller you'll read all year Laugh out loud funny twisty and full of surprises Wendy Walker international bestselling author of *What Remains*

*Being at Work* Mark

Cole, 2025-11-18 This thought provoking and ground breaking book offers a way for us all to consider our experience of being at work and of the nature of working life Written in an engaging and accessible style it presents the practical means by which to apply central features of existentialism to make sense of how we relate to work and the workplace These include topics such as freedom and choice looking for purpose and making meaning and authenticity We spend a great deal of time at work and being at work is often a challenge Reference to the past in a corporate context tends to see it as a graveyard for errors and failures the future is something articulated by senior leaders and the place to which we are expected to travel in terms of their definition The specious present is the place where we experience our being in the moment the location where we do our work but it is rarely acknowledged in the places where we work This book offers new insights into how we can all meaningfully live our lives in the context of the world of work To do this it offers a personalised understanding of the existentialist way of philosophising It looks to simplify complex concepts in order to offer the reader a different way of thinking about the time that they spend at work and how they might consider different and more positive ways of being in such an environment It recognises that we spend a considerable amount of our life in the workplace and so argues that we need to consider that and find ways in which to make that experience personally meaningful Where other practices designed to help people to make sense of their actual experience are introspective existentialism is reflexive and active Similarly where those other approaches are deeply individualistic existentialism constantly reminds us that our choices are undertaken in relation to others and that they have a collective implication Whether you are keen to make sense of your experience of workplace and what it means to be a human being in that context or looking to explore how you embrace the challenges of

**Shield of Sparrows** Devney Perry, 2025-05-06 Discover the instant 1 New

York Times bestseller. Now in development as a feature film with Amazon MGM Studios with John Wick screenwriter Derek Kolstad attached to write the script. *Shield of Sparrows* is a slow burn high stakes romantasy perfect for fans of Sarah J. Maas and Rebecca Yarros where enemies become lovers, monsters stalk a cursed realm and a forgotten princess finds the strength to tear off her crown and become the warrior she was never meant to be. The gods sent monsters to the five kingdoms to remind mortals they must kneel. I've spent my life kneeling to their will and to my father's. As a princess my only duty is to wear the crown and obey the king. I was never meant to rule. Never meant to fight. And I was never supposed to be the daughter who sealed an ancient treaty with her own blood. But that changed the fateful day I stepped into my father's throne room. The day a legendary monster hunter sailed to our shores. The day a prince ruined my life. Now I'm crossing treacherous lands beside a warrior who despises me as much as I despise him, bound to a future I didn't choose and a husband I barely know. Everyone wants me to be something I'm not: a queen, a spy, a sacrifice. But what if I refused the role chosen for me? What if I made my own rules? What if there's power in being underestimated? And what if for the first time I reached for it?

*The Lost Story of Eva Fuentes* Chanel Cleeton, 2025-09-30 This captivating story is an ode to book lovers. *Woman's World* A mysterious book with a legacy spanning from the beginning of the twentieth century to the present day unites three women and their secrets in this unforgettable novel from New York Times bestselling author Chanel Cleeton.
