Jarrett Kathi S. Barton,2015-04-17 Addison Parker is on the run No matter how fast she runs or how far she travels she can't hide from herself or the gift she's been cursed with She can read people's minds and with a touch can see into their future That is a secret that she has learned to keep well everyone always wanted something from her when they learned what she could do It's easier to avoid people altogether Jarrett Emerson is just helping his dad and brother protect an innocent from a perverted wretch But when a falling brick knocks Addie unconscious she falls right into Jarrett's arms To his surprise he realizes that she is his mate and human Addie felt stupid standing there like she was and moved to the sink Jarrett watched her before he reached for a second glass Addie had no idea why but she thought he was nervous I'm not going to pounce on you As soon as the words left her mouth she knew that she'd made a major mistake He turned so quickly that she backed up and hit her ass on the counter behind her He didn't stop there but took two more steps to have her leaning back to look up at him I'd like nothing more than to have you pounce on me His voice was a soft growl that had her thinking all sorts of things that had nothing to do with food You're very beautiful No I'm not He nodded and halved the distance between them You're too close I can't think when you're this close Jarrett doesn't want her to leave If she goes he goes with her That's the way it is with mates But when a corrupt attorney has other ideas the Emersons have to regroup to protect what they now consider their own
