Spiritual Direction in Context Nick Wagner,2006-03-01 God created us to be lovers writes Nick Wagner in his introduction to Spiritual Direction in Context When we love we are in right relationship We are acting for justice The ministry of every spiritual director in any context is to serve as a guide into the depths of that love relationship Here in this provocative collection of essays respected leaders in the field of spiritual direction explore the myriad of contexts in which this relationship takes place and offers practical ways to respond to them As the popularity of spiritual direction grows directors are facing situations that monks and nuns for centuries the exclusive practitioners of this profession never had to face The essays in this book drawn from Presence the journal of Spiritual Directors International look deeply at spiritual direction in a number of contexts including the workplace with the aging in hospitals with women s groups with youth with the homeless and with those in mourning Spiritual Direction in Context is the third in the SDI series [Group Spiritual Direction](#) Rose Mary Dougherty, SSND,1995 Group Spiritual Direction is a resource for people wishing to explore the possibilities of spiritual community within the context of group spiritual direction Rose Mary Dougherty s writing acknowledges the growing need that many people have for small communities of support in their relationship with God and it describes the diverse means that various religious traditions and denominations have used to address this need The text presents group spiritual direction as a unique form of spiritual community which assists people in ongoing individual discernment Drawing on years of experience as a spiritual director and as one who has offered group spiritual direction in ecumenical settings the author provides both the theological understanding and the detailed information needed to establish spiritual direction groups She consistently invites the reader to return to her primary assumption the most important element in group spiritual direction is the contemplative stance of presence to God for one another within the group meeting and prayer for one another outside the meeting The author also offers practical suggestions for fostering this contemplative stance as well as ways to prepare people for group spiritual direction **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved *Spiritual Direction* Ruffing, Janet K., RSM,2000 Explores issues that arise in the advanced stages of spiritual direction from both a practical and theoretical perspective [An Open Place](#) Daniel Schrock,Marlene Kropf,2012-11-01 Written from an ecumenical standpoint as a practical aid for moving those experienced in individual spiritual direction toward group practices This book responds to the movement to expand spiritual direction beyond the classic on with one model Group spiritual direction has the potential to offer the rich experience of individual spiritual direction to a much wider audience yet very little has been written to provide guidance for starting such groups This book responds to that challenge It outlines ways that a diverse and ecumenical group of spiritual directors worked to initiate groups in multiple contexts It examines the many variables among directors directees even meeting spaces that affect and enliven this ministry And it summarizes pitfalls success and discoveries **Spiritual Direction and the Care of Souls**

Gary W. Moon, David G. Benner, 2004-04-08 Editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms. With insights on spiritual direction's relationship to psychotherapy and pastoral counseling this book serves as an authoritative resource for spiritual transformation and pastoral care. **Finding Our Way to God** Dennis Joseph Billy, 2018-06 *Finding Our Way to God* offers an approach to spiritual direction using mental prayer that can be used to create healing and peace when conducting guidance sessions with seekers. Based on the teachings of St Alphonsus Liguori the founder of the Redemptorists Fr Dennis Billy's approach examines the moral life in the context of spiritual direction. While thoroughly Catholic St Alphonsus was so pastoral focusing on the poor and marginalized that the approach can be easily learned and used by adherents of other religious philosophical and ethical traditions. In *Finding Our Way to God* Fr Dennis Billy Teaches active listening which is essential for spiritual directors. Emphasizes the continuity between a person's spirituality and morality through growth in the virtues and gifts of the Holy Spirit. Provides an understanding of how the model of spiritual direction can be adapted to meet the needs of a wide variety of people. Helps the reader use Alphonsian spirituality as a backdrop for conducting spiritual direction. **The Way of Spiritual Direction** Francis Kelly Nemeck, Marie Theresa Coombs, 1993 It may well become a classic in this important area of spirituality. It is the reader's opinion that if you read only one book on this subject this year *The Way of Spiritual Direction* should be the one. John G Durbin STL. **Still Listening** Norvene Vest, 2000-10 Cutting edge essays written by seasoned spiritual directors which examine a variety of new frontiers in spiritual direction in the 21st century.

Spiritual Direction Sue Pickering, 2014-09-16 Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance. This guide aims to equip clergy and laity engaged in this task or in training for it. Loss as Spiritual Transformation Tracy Allendale Hawthorne, 2005. Spiritual Director, Spiritual Companion Tilden Edwards, 2001 Updates his classic *Spiritual Friend*. Spiritual direction pioneer Tilden Edwards here shares the wealth of twenty years of experience he's gained since his classic book *Spiritual Friend*. The fresh and insightful result covers both spiritual and practical sides of the art from the nature of the soul to recommendations on payment rates. Both directors and directees benefit from this wholistic look that considers all of the person and not just his or her prayer life. At the book's heart though is spiritual direction at its best. Edwards examines new methods to nurture the soul ways to recognize a true spiritual experience and suggestions for being truly present during the process. Practical guidelines are also given for getting started with new directees running group spiritual direction evaluating sessions and setting up a spiritual director peer group. In addition Edwards gives a brief history of this special ministry and a view of its future. He also considers spiritual companionship in other religious traditions and their relation to a Christian framework. This new title offers enormous insight and support for both spiritual directors and directees anyone considering entering spiritual direction and all those ministers from pastors to Christian counselors who so often

unexpectedly find themselves in the role of spiritual director **Awakening the Creative Spirit** Christine Valters Paintner, Betsey Beckman, 2010-02-01 The resource is designed to help spiritual directors and others use expressive arts in the context of spiritual direction. It is the latest book in the unique SDI series designed for professional spiritual directors but also useful for clergy therapists and Christian formation specialists. The Spiritual Directors International Series. This book is part of a special series produced by Morehouse Publishing in cooperation with Spiritual Directors International SDI a global network of some 6 000 spiritual directors and members **Psychotherapy and Spiritual Direction** Lynette Harborne, 2018-03-22 This book explores the similarities and differences between the practice of psychotherapy and spiritual direction and suggests that whilst there may be distinctions between the two activities the process is essentially the same. The purpose of the book is to improve the understanding between therapists and spiritual directors to encourage dialogue and discussion between them as well as to offer challenges and learning to both. In the process of exploring the interface between the practice of therapy and the practice of spiritual direction questions arise about how to address issues of spirituality in a psychological context and psychological issues in a spiritual context. A brief overview of the historical background to spiritual direction is given and attention drawn to the links between this tradition and the development of psychotherapy. Spiritual issues that may arise in therapy together with psychological issues that occur during spiritual direction are discussed leading on to a comparison between dark night of the soul experiences and clinical depression.

The Art of Spiritual Direction W. Paul Jones, 2016-06-01 We all need companions and guides on our spiritual journey. W. Paul Jones believes that spiritual direction is essential for every Christian. Along each person's pilgrimage are those who can make one's journey accountable and whose hospitality makes it possible. Jones says In *The Art of Spiritual Direction* you'll discover the answers to these questions and more: What is spiritual direction? What is the difference between spiritual direction and counseling? How can you know if you are called to the ministry of spiritual direction? What should happen in direction sessions? The appendixes feature helpful tools like the Myers-Briggs Type Indicator, a Theological Worlds Inventory, the Enneagram, and other resources. Whether you are a pastor, church leader, or a layperson, you will benefit from the wealth of information contained in this book. **To Tell the Sacred Tale** Ruffing, Janet K., RSM, 2011 This book shows the singular importance of narrative in the process of spiritual direction and reflects on this interactive process of sharing our sacred stories in pastoral contexts in order to hear and respond more deeply to the story God is telling in our lives.

Exploring Spiritual Direction Alan W. Jones, 1999 This new edition explores spiritual direction in the wider context of Christian friendship. Insisting on the need to undertake spiritual direction as an act of worship within a faith community, Jones goes on to look at the part that spiritual warfare, vulnerability, imagination, contemplation, and sacrifice all play in the work of spiritual guidance. **Towards Religious Identity** Knippenberg, 2021-10-11 STAR Studies in Theology and Religion 4 The spiritual dimension of existence has always been a part of people's lives. Religion serves this dimension in which people are confronted

with the question of what is holy and what is ultimately important In Towards Religious Identity Tjeu van Knippenberg concentrates on spiritual guidance in the context of the Christian faith A number of questions arise here What is the spiritual Can what we call spiritual be compared with what has been said about it in the course of the centuries Is there a relationship between personal experiences that go beyond direct experiences and what is taught in the Christian church about the spiritual Can this be distinguished within the complex psychological processes that take place within a person Just how personal and private is it Where can it be found What is its connection with the daily course of life Is it of importance in one s own development and in the development of society Where can one learn about it How does one deal with it Are there people equipped to guide others from this perspective Towards Religious Identity offers a framework that can contribute to people s competence in discovering the meaning of the personal life story from a spiritual perspective M P J van Knippenberg is professor of pastoral theology at Tilburg University The Netherlands From the Contents Part 1 Identification 1 Development and Characteristics 2 Ecclesiastical and Poimetic Position 3 Path of Life and Perspective Part 2 Progress and Content 4 Process and Guidance 5 Question as to Meaning and Christian Faith 6 Theology and Identity Part 3 In Practice 7 Guidance Model 8 Competence and Applications Depth Calls to Depth John Ensign,2023-06-28 Depth Calls to Depth Jungian Psychology and Spiritual Direction in Dialogue draws on the author s dual background as a certified Jungian analyst and psychologist as well as a spiritual director with a master s degree in theology Over the last several decades spiritual direction has moved beyond its monastic origins to become a major force in contemporary spirituality Its emphasis on direct spiritual experience offers a natural parallel to Jung s model of psychospiritual healing This book describes how Jungian dreamwork can enhance the practice of spiritual direction There is much interest in Jung s thought in spiritual circles but little informed understanding of the details of his model and its application to work with individuals In an effort to meet this need chapters alternate between descriptions of Jung s approach augmented by extensive case material and accounts of spiritual direction sessions In this way the book combines a comprehensive summary of Jung s main ideas and methodologies with vignettes that illustrate their practical application Larger issues regarding the relationship between psychology and spirituality are discussed as well as Jung s complicated relationship with the Christian tradition The author s background in Ignatian spirituality and the work of mystics like Meister Eckhart allow him to demonstrate how these approaches can bridge gaps between the Christian and Jungian models of spiritual growth Parallels to 12 Step spirituality also are explored Soul Friend Kenneth Leech,2001-07 Explores the range of issues that concern both directors and those who seek direction the history of spiritual direction the relationship between director and directee the practice of prayer in the Christian spiritual tradition and the role of the spiritual director not just for the individual but in the larger society The Practice of Spiritual Direction William A. Barry,William J. Connolly,1982 The Classic Work on Helping People Become Closer to God Fathers Barry and Connolly see the work of spiritual direction as helping people to develop their relationship with God In thinking and

practice they have absorbed the insights of modern psychotherapy but have not been absorbed by them. This highly practical book reflects the authors experience at the Center for Religious Development in Cambridge Massachusetts where spiritual direction is available and where directors are trained.
