Mission-Ready Marriage Ashley Ashcraft, 2024-08-13 What if there was a way to enjoy marriage amid the unrelenting trials of life as a military spouse? Through multiple combat deployments, unexpected reintegration problems, frequent solo parenting, the post-traumatic effects of war, and twelve moves, Ashley realized she needed a plan to survive military life. Exhausted from living with a resentment-filled heart, she laid down her futile efforts to control this unpredictable lifestyle and decided to try something new: modeling Jesus in her marriage. Even though the demands of the military continued to increase by daily surrendering her life to God and embracing His plans, Ashley finally learned to find purpose and contentment as a military wife. In *Mission Ready Marriage*, Ashley allows you to peer into her service-induced marriage challenges and shares the secrets that brought her healing and joy. Applying God's truths to all areas of military marriage, Ashley helps spouses from brand new to seasoned unearth hope in this arduous journey. To equip you fully, each chapter includes a detailed list of essential resources, next steps, prayers, and reflection questions. Most important, you'll discover Jesus in this book. Perspectives on Prayer and Spirituality Maurice Elliott, Patrick McGlinchey, 2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment. Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before. Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals. It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one. It acknowledges that there must be more to life than what secular media or consumerism might tell us. The joyful message of *Perspectives on Prayer and Spirituality* is that the spiritual quest is a valid one and worth exploring. There is treasure to be found. However, the surprise is that we must rediscover what we have left behind. In the

words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title Perspectives on Prayer and Spirituality alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known

What's Your God Language?
