

# SPORT, EXERCISE AND SOCIAL THEORY

AN INTRODUCTION

DAVID SOLLAH AND JOHN KELLY

# Sport Exercise And Social Theory

**Chinese University of Hong Kong**

## **Sport Exercise And Social Theory:**

**Sport, Exercise and Social Theory** Gyozo Molnar, John Kelly, 2013 Sport Exercise and Social Theory is a concise and engaging introduction to the key theories that underpin the study of sport exercise and society. Using vivid examples and descriptions of sport related events and exercise practices the book explains why social theories are important as well as how to use them giving students the tools to navigate with confidence through any course in the sociology of sport and exercise. Designed to be used by students who have never studied sociology before and including a whole chapter on the practical application of social theory to their own study it provides training in critical thinking and helps students to develop intellectual skills which will serve them throughout their professional and personal lives

**Sport, Exercise and Social Theory** Gyozo Molnar, John Kelly, 2013-05-07 Why are sport and exercise important? What can the study of sport and exercise tell us about wider society? Who holds the power in creating contemporary sport and exercise discourses? It is impossible to properly understand the role that sport and exercise play in contemporary society without knowing a little social theory. It is social theory that provides the vocabulary for our study of society that helps us ask the right critical questions and that encourages us to look for the real story behind sport and exercise. Sport Exercise and Social Theory is a concise and engaging introduction to the key theories that underpin the study of sport exercise and society including feminism, post modernism, Neo-Marxism and the sociological imagination. Using vivid examples and descriptions of sport related events and exercise practices the book explains why social theories are important as well as how to use them giving students the tools to navigate with confidence through any course in the sociology of sport and exercise. This book shows how theory can be used to debunk many of our traditional assumptions about sport and exercise and how they can be a useful window through which to observe wider society. Designed to be used by students who have never studied sociology before and including a whole chapter on the practical application of social theory to their own study it provides training in critical thinking and helps students to develop intellectual skills which will serve them throughout their professional and personal lives

*Sociology of Sport and Social Theory* Earl Smith, 2010 Sociology of Sport and Social Theory presents current research perspectives from major sport scholars and leading sociologists regarding issues germane to the sociology of sport while addressing traditional and contemporary sociological theories

Sport and Social Theory C. Roger Rees, Andrew W. Miracle, 1986 **Social Theory** John Bascom, 1895 Courses and Programs Iowa State University, 1999

**Sociocultural Issues in Sport and Physical Activity** Robert Pitter, David L. Andrews, Joshua I. Newman, 2022-02-21 Sociocultural Issues in Sport and Physical Activity explores the intersections between modern physical activity and society. The text surpasses the scope of sociological texts that focus solely on sports covering a broad range of physical activities such as fitness, dance, weightlifting and others. The authors emphasize the promotion of healthy individuals and a healthy body in the many movement settings where the body is active. Sociocultural Issues in Sport and Physical Activity explores contemporary topics such as reducing disparities in

education and income increasing socioeconomic diversity in communities the medicalization of fitness the rise of cosmetic fitness the promotion of physical activity as a requirement for health and the globalization of the fitness industry The text includes the following features to enhance student engagement Chapter objectives help students achieve their learning goals Key points and terms to highlight important information throughout the text Active Bodies sidebars that offer context for concepts presented in the chapter and provide examples and applications Discussion questions that provide opportunities to reflect on chapter topics Part I of Sociocultural Issues in Sport and Physical Activity examines political educational media and economic institutions that influence the relationship between society and physical activity Part II explores how an individual's race gender social class and ability are interpreted through a social lens Part III of the text discusses the process of developing healthy populations as well as promoting public health and body positivity Sociocultural Issues in Sport and Physical Activity offers a cross cultural perspective of society health and the body in motion Readers will finish the text with a greater understanding of social theory applications in physical culture [Foucault, Sport and Exercise](#) Pirkko

Markula-Denison, Richard Pringle, 2007-01-24 Michel Foucault's work profoundly influences the way we think about society in particular how we understand social power the self and the body This book gives an innovative and entirely new analysis of his later works making it a one stop guide for students exploring how Foucauldian theory can inform our understanding of the body domination identity and freedom as experienced through sport and exercise Divided into three themed parts this book considers Foucault's ideas and key debates Foucault's theories to explore power relations the body identity and the construction of social practices in sport and exercise how individuals make sense of the social forces surrounding them considering physical activity fitness and sport practices as expressions of freedom and sites for social change Accessible and clear including useful case studies helping to bring the theory to real life Foucault Sport and Exercise considers cultures and experiences in sports exercise and fitness coaching and health promotion In addition to presenting established Foucauldian perspectives and debates this text also provides innovative discussion of how Foucault's later work can inform the study and understanding of sport and the physically active body [International Review for the Sociology of Sport](#), 2007-06

**The Range of Social Theory** Floyd Nelson House, 1929 [General Catalog](#) Iowa State University, 1995 [Calendar](#) Chinese University of Hong Kong, 2003 [The Directory of Graduate Studies](#), 1998 [Commonwealth Universities Yearbook](#), 2007 [International Encyclopedia of the Social & Behavioral Sciences](#) Neil J. Smelser, Paul B. Baltes, 2001 The largest work ever published in the social and behavioural sciences It contains 4000 signed articles 15 million words of text 90 000 bibliographic references and 150 biographical entries [The History of Exercise and Sport Science](#) John D. Massengale, 1997 An historical chronicle of the emergence and growth of the physical education field in the 20th century tracing the evolution of its focus from instruction to nine scientific subdisciplines The 11 reviews written by scholars in each field analyze the events and people who have had a major influence [Handbook of Research in Applied Sport and Exercise](#)

Psychology: International Perspectives Dieter Hackfort,Joan Lynne Duda,Ronnie Lidor,2005 Presents diverse applied issues and different areas of applied research in sport psychology This handbook represents science related practice perspectives from different continents and cultures It provides a framework for knowledge founded practices of psychological services to targeted samples within the sport and exercise domains     Graduate Courses and Programs Iowa State University,1997
