The Scrum Field Guide Mitch Lacey,2012-03-12 Thousands of IT professionals are being asked to make Scrum succeed in their organizations including many who weren't involved in the decision to adopt it. If you're one of them The Scrum Field Guide will give you skills and confidence to adopt Scrum more rapidly more successfully and with far less pain and fear. Long time Scrum practitioner Mitch Lacey identifies major challenges associated with early stage Scrum adoption as well as deeper issues that emerge after companies have adopted Scrum and describes how other organizations have overcome them. You'll learn how to gain quick wins that build support and then use the flexibility of Scrum to maximize value creation across the entire process. In 30 brief engaging chapters Lacey guides you through everything from defining roles to setting priorities to determining team velocity choosing a sprint length and conducting customer reviews. Along the way he explains why Scrum can seem counterintuitive offers a solid grounding in the core agile concepts that make it work and shows where it can and shouldn't be modified. Coverage includes Getting teams on board and bringing new team members aboard after you've started Creating a definition of done for the team and organization Implementing the strong technical practices that are indispensable for agile success Balancing predictability and adaptability in release planning Keeping defects in check Running productive daily standup meetings Keeping people engaged with pair programming Managing culture clashes on Scrum teams Performing emergency procedures to get sprints back on track Establishing a pace your team can truly sustain Accurately costing projects and measuring the value they deliver Documenting Scrum projects effectively Prioritizing and estimating large backlogs Integrating outsourced and offshored components. Packed with real world examples from Lacey's own experience this book is invaluable to everyone transitioning to agile developers architects testers managers and project owners alike.
