*Waiting For Service* Amas Tenumah, 2021 You hate waiting in line or on the phone for customer service There have been plenty of books about customer service that all seem to offer secrets to improve customer service This is not that book I instead want to focus on Why customer Service is so broken and give you the secrets to get around it Customer service is bad by design Your bad customer service is not random it is intentional Customer Service is universally terrible this is not an opinion You do not have to believe me I am saying it is raining outside and you can simply look out the window I spent two decades helping dozens of your favorite brands with customer service You will laugh get mad all over again at some of the conversations I have had with executives around

customer service I name names expose Customer Service nightmares from Travel to Cable Walmart fast food and so much I also provide you with how to get around bad service and offer radical thinking to reset customer service Amas Tenumah

**The Amazement Revolution** Shep Hyken, 2011 What is the amazement revolution It is the culture that can drive any organisation from one employee to tens of thousands to focus completely on delivering an amazing customer service experience In this sequel to the Wall Street Journal best selling book The Cult of the Customer Shep Hyken shares seven powerful strategies that any organisation can implement to create greater customer and employee loyalty In a tough competitive and price sensitive economy customer service is one of the most essential tools to separate your business from the competition These strategies work as evidenced by the more than seventy case studies and examples that Hyken shares throughout the book These examples provide dozens of lessons that can and should be implemented immediately Corporate and industry clients from all over the world have tapped into the expertise of Shep Hyken His client list is a who's who in the business world As an author and speaker Hyken is known for his simple and direct strategies that help his clients build successful customer focused organisations

**The Best Service is No Service** Bill Price, David Jaffé, 2011-09-14 In this groundbreaking book Bill Price and David Jaffé offer a new game changing approach showing how managers are taking the wrong path and are using the wrong metrics to measure customer service Customer service they assert is only needed when a company does something wrong eliminating the need for service is the best way to satisfy customers To be successful companies need to treat service as a data point of dysfunction and figure what they need to do to eliminate the demand The Best Service Is No Service outlines these seven principles to deliver the best service that ultimately leads to no service Eliminate dumb contacts Create engaging self service Be proactive Make it easy to contact your company Own the actions across the company Listen and act Deliver great service experiences

*The Customer Rules* Lee Cockerell, 2013-03-05 The former Executive Vice President of Walt Disney World shares indispensable Rules for serving customers with consistency efficiency creativity sincerity and excellence Lee Cockerell knows that success in business any business depends upon winning and keeping customers In 39 digestible bite sized chapters Lee shares everything he has learned in his 40 year career in the hospitality industry about creating an environment that keeps customers coming back for more Here Lee not only shows why the customer always rules but also the Rules for serving customers so well they'll never want to do business with anyone but you For example Rule 1 Customer Service Is Not a Department Rule 3 Great Service Follows the Laws of Gravity Rule 5 Ask Yourself What Would Mom Do Rule 19 Be a Copycat Rule 25 Treat Every Customer like a Regular Rule 39 Don't Try Too Hard As simple as they are profound these principles have been shown to work in companies as large as Disney and as small as a local coffee shop from businesses selling cutting edge technologies like computer tablets to those selling products as timeless as shoes and handbags at corporations as long standing as Ford Motors and those as nascent as a brand new start up And they have been proven indispensable at all levels of a company from managers responsible for

hiring and training employees setting policies and procedures and shaping the company culture to front line staff who deal directly with clients and customers Chock full of universal advice applicable online and off The Customer Rules is the essential handbook for service excellence everywhere     [Better Customer Service](#) Edward C.
