 Miller,2020-02-05 The digital revolution is changing virtually every aspect of the business world However most attempts at
 the digital transformation of enterprises fail largely because of a lack of comprehensive and coherent strategy This book
 takes lessons learned from the rise of the digital platform giants and explores how they can be adapted and effectively
 applied to established businesses allowing them to compete within the new digital business paradigm Offering a holistic
 perspective on the business and technology landscape the book describes the megatrends evolution and impact of digital
 technologies and business models It brings together what for many is a disjointed set of business transformation imperatives
 to provide a practical guide to digital success Drawing on the authors decades of experience in supporting transformation
 and innovation the book lays out a path to a progressive iteration of business change and value realization balancing the
