Black Friday Discount Customer Service:

2024 Holiday Customer Service Blueprint Jelisaveta Sapardić, 2024-08-20 Did you know that customer service requests can increase by 65% during Black Friday and Cyber Monday compared to a typical day? This staggering surge can overwhelm even the most prepared customer support teams as they struggle to manage a flood of repetitive questions, keep response times low, and maintain high levels of customer satisfaction all at the same time. However, this surge also presents a critical opportunity to boost revenue and acquire new customers, with over 87% of consumers shopping during Black Friday and 61 million people globally purchasing from Shopify-powered brands. Drawing from our experience supporting over 300,000 businesses worldwide, we understand the importance of a seamless customer experience, especially for e-commerce companies and SMBs. We've developed strategies that help businesses overcome customer service challenges during peak shopping times. In this ebook, we'll share practical tips and insights from industry experts to help you manage customer demands during these critical periods. Learn how to navigate and thrive during the busiest seasons with our proven advice.

Strategic Management John A. Parnell, 2013-01-15 The book is designed to be the primary reader in the capstone strategic management course. It can be used in undergraduate or graduate courses, although the style fits the undergraduate market best. Its distinctive features include: Positioned between theory and practice. Text concepts are aligned with 25 case analysis steps; no separate section on how to analyze a case. Very readable, appropriate for undergraduate or graduate courses, although other readings, cases, simulations, etc. are typically required at the graduate level. Global orientation. Real-time cases. Numerous current examples largely drawn from the Wall Street Journal and Financial Times. 3e has already been updated considerably. Options for changes in an upcoming edition include cases, real-time and/or traditional, providing ongoing updates or commentaries to adopters, and current issue debate boxes in the chapters. *Social Customer*

Relationship Management Rainer Alt, Olaf Reinhold, 2019-08-29 Social media has received considerable attention, and many potential benefits as well as concerns are now being discussed. This book explores how social media can successfully support business processes in marketing, sales, and service in the context of customer relationship management (CRM). It presents the fundamentals of Social CRM and shows how small and large companies alike have implemented it. In turn, the book presents analytic and operational software tools that offer features for enhancing and streamlining interactions with customers. The book concludes with an overview of essential design areas that businesses need to bear in mind when introducing social media into their CRM strategies. In this regard, it also points out key success factors, limitations, and data protection aspects.
