Design of Effective Instagram Campaigns Carolin Wesche, 2020-04-28 Master's Thesis from the year 2018 in the subject Business economics Offline Marketing and Online Marketing grade 1 3 University of Münster Institute for Value Based Marketing language English abstract The following study investigates the influence of traditional design stimuli applied to a brand post on the consumer's engagement rate on Instagram Consumer engagement thereby represents the effectiveness of a brand post and is defined by the ratio of the number of likes of a brand post and the number of followers of the brand Aiming at analyzing the effectiveness of traditional design stimuli on Instagram the author gathers 450 Instagram brand posts from five different product categories which are subsequently assessed and coded The researcher then conducts a regression analysis as this allows to evaluate the influence of the traditional visual design stimuli on the consumer's engagement rate Whereas novel cognitive demanding stimuli are not found to influence the engagement rate for a brand post certain physically intensive prominent stimuli as well as some affective emotional stimuli have a significant influence The present study further investigates the moderating effect of brand knowledge on the magnitude of the stimuli's influence on consumer engagement rate The results indicate that brand knowledge has a moderating effect on certain stimuli For all other stimuli the influence on the engagement rate does not change for different levels of brand knowledge The results further show that design stimuli applied in brand posts on Instagram differ in their impact on the engagement rate depending on the product category shown in the brand post These findings can be used by managers to exploit the benefits of social media marketing on Instagram

Philosophy of Fame and Celebrity Catherine M. Robb, Alfred Archer, Matthew Dennis, 2024-10-17 In an era of cancel culture digital identities and thriving conversation surrounding parasocial relationships we question today the nature of the celebrity the scope of their power and influence as well as the ethical issues these implicate It is a wonder then that philosophy is a discipline that has as of yet contributed surprisingly little to this debate despite the growing philosophical literature on connected philosophical topics that serve as a starting point for the philosophical inquiry into the nature and value of fame and celebrity For example the literature on the philosophy of admiration achievement skills and talents epistemic authority virtue and moral psychology can all serve to analyse the

important questions arise when considering what fame is and the way that it influences the way we live Offering the first introductory overview of the key philosophical issues involved in the nature and value of fame and celebrity this edited collection provides a new perspective and voice to the conversation Divided into four parts its first focuses on conceptual differences between fame and celebrity the experience of being famous how celebrities interact with the public and what motivates people to desire or pursue fame The second part of the volume explores fame and virtue as well as the ways in which ethical issues intertwine with fame concluding with an examination of the nature of fame in relation to contemporary online culture As digital technologies expand cultural commentators remark that we are all becoming celebrities scrutinized by the public gaze whether we like it or not This book therefore answers a pressing need for if celebrity culture continues to expand and consume our social lives the case for a philosophical reflection on the nature and value of this culture becomes even more necessary *Key Topics in Technology and Behavior* Springer Behavioral & Health Sciences,2022-11-17 This volume features cutting edge and impactful articles from across Springer's diverse journals publishing program In this curated collection our editorial team has brought together highly cited and downloaded articles on the topic of Technology and Behavior into one single resource Moreover this book enables readers to review a broad spectrum of quality research on a specialized topic which we hope facilitates interdisciplinary and critical discussions of the topic at hand As part of the Key Topics in Behavioral Sciences book series this volume aims to serve as a quick reference for readers when writing or researching new topics or subject areas Other topics in the series will include Psychological Research Methods Health and Behavior Industrial and Organizational Psychology Sports Psychology and Consumer Behavior In the first section of the volume articles focus on such topics as Addiction Anxiety Burnout Envy Social Comparison Social Media Emotion Regulation Expressive Suppression Problematic Smartphone Use Smartphone Addiction Smartphone Use Disorder Suppression Adolescents Anxiety Depression Mindfulness and Mobile Phone Addiction Next the second section features research on Cognitive Training Mind Wandering Mindfulness Cognition and Video Games Lastly in the final section of this collection Adolescents Behavioral Problems Cyberbullying Emotional Problems Sex Difference Emerging Adult Identity Processing Styles Self Esteem Social Comparison Adolescents Biopsychosocial Model Body Image and Disordered Eating are discussed

Influencer Advertising versus Traditional Advertising ,2021-07-21 Master s Thesis from the year 2020 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 0 Klagenfurt University language English abstract In the field of marketing influencer promotions evolved to an established strategy to spread awareness about brands and to target potential customers Especially the beauty industry utilizes the strategic communication approaches through the embeddedness of products into the creative content of influencers in order to persuade consumers The purpose of this research paper is to examine the influencing power of those digital opinion leaders while comparing this potential with traditional print advertisements in magazines In this process particular focus has been laid on the perceived credibility of both marketing techniques applied on the luxury cosmetic market in Austria Through a quantitative survey with paper and pencil questionnaires data on attitudes and perceptions of 120 respondents could be gathered in Klagenfurt Results of the study reveal that influencer advertisings are not automatically more influencing than traditional print advertisements However a positive pre attitude towards beloved influencers affect people to develop a more

positive attitude towards brands and products that were advertised by social media opinion leaders These findings suggest that luxury cosmetic brands should create a marketing mix that implements a complementary storytelling strategy between influencer promotions and print advertisements Thereby companies can target influencer followers as well as consumers of older generations to achieve a communication concept which attract potential customers in a diversified way

Effects of Consumerism on Modern Society. In what Aspects does Consumerism form an Identity?

Leonie Quicker,2023-06-23 Seminar paper from the year 2019 in the subject Sociology Consumption and Advertising grade 1 3 University of Paderborn Kulturwissenschaft language English abstract This term paper is set out to investigate in what aspects consumerism forms an identity and to what degree it affects modern society In order to gather information and data this research project will look at different Instagram accounts and groups like richkids_official or women_luxurys_life How do they advertise certain products and in what way do these people represent themselves within a particular picture Simultaneously this term paper will explain the consequences of consumerism on businesses society in general and people s mental health Sources that will be needed to answer these questions are going to be Yiannis Gabriel and Tim Lang s The Unmanageable Consumer Contemporary Consumption and its Fragmentations from 1995 in which the different functions of a consumer are thoroughly explained and analysed In addition J D Forbes The Consumer Interest published 1987 defines different sections in which consumerism influences society Using these sources and explanations this research project will try to answer the question of how consumerism forms an identity and to what degree it thereby affects society I m just a girl standing in front of a photo asking it to be Instagram worthy The quote above is a re written version of Notting Hill s famous sentence I m just a girl standing in front of a boy asking him to love her Comparing these situations it can be interpreted as though the re written girl just wants to have a photo worthy for Instagram in order to be loved Therefore this quote tells more about society than just a girl wanting to look pretty online Nowadays almost every person who is able to go online has at least heard or even registered on one or more social media platforms like Facebook Twitter or Instagram
