**How To Earn More Than \$100 Making Memes** Malik Jordan, 2020-04-06 A useful short affordable book that teaches you how to earn more money with memes has finally been written Malik Jordan My name is Malik McCotter Jordan but you can call me Malik Jordan I am the author of this book How To Earn More Than 100 Making Memes in 4 Simple Steps 2020 is quite frankly nothing but a short book showing aspiring professional funny meme creators how to make money on fiverr com Most authors overpromise and under deliver when they write their book introduction That is not what I am about to do In this introduction I will tell you how to earn more than 100 making memes in 4 simple steps My advice will be practical and straight to the point Let s Be Honest Book introductions are basically a form of marketing to get people to buy the book In this book introduction I am going to be very transparent with you I ll be so transparent with you that you may lose interest in this book and choose not to buy it and that is fine with me Did I write this introduction to market it to you and to get book sales The answer is yes but I do not want just anyone to buy this book I want this book to be bought by people who are serious about earning money with memes Why I Wrote This Book s Introduction I wrote this book s introduction to get sales and weed out the people who would be wasting their time if they bought this book I am not like all of the other writers out there I am not desperate for your money This book is not for everybody and I knew this before I even began writing it This is not the book for you if you do not already know how to make memes This book is for people who already have experience in making memes This book is for people who would like to know how to go about earning money with their already established meme creating abilities This book does not teach you how to make a meme This book doesn t take more than a week to read and it

isn't expensive at all. This Book Is Cheap. For just the low price of 2.99 you can learn how to earn more than 100 making memes. According to CollegeBoard.com the national average for college textbooks is 1.137 per year. You purchasing this book will be an inexpensive investment in your future and if you practice the 4 SIMPLE steps in this book it will pay for itself.

### 3 Reasons Why This Book Is So Cheap

The first reason why this book is so cheap is because most people who would be interested in a book like this are millennials. Millennials are the poorest generation so far. That's why I made this book 2.99 and not 14.99 when I self published it.

The second reason this book is so cheap is because it is SUPER short. Usually when you hear advice that is straight to the point it is short. The truth is usually short, straight to the point and simple just like this book.

The third reason why this book is so cheap is because it didn't take a lot of money to write and self publish this book in the first place. I don't owe a book publishing company money so I'm not about to charge you over 10 for a book like this.

**What You Are Being Sold**

I'm not selling you the perfect book because the perfect book doesn't exist no matter how much work I put into it or hire someone else to put into it. I'm selling you a book with practical, easy to understand steps on how to earn more than 100 making memes.

**QUICK DISCLAIMER**

Before I get into the 4 steps that will be taught to you I want to let you know a few things. This is not a scam. No the steps will not be easy but they are not hard either. The 4 steps are SIMPLE. If you aren't satisfied you can get your money back.

Usually when people do research on how to create an extra stream of income they come across things like affiliate marketing and making YouTube videos. This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income.

**Don't Cheat The System**

The most challenging steps are steps one, two and four. Step three is the part I am sure you will like the most. Unfortunately if you do not do steps one and two you will not be able to do the rest of the steps so do not try to cheat this system. You will only be wasting your own time.

**Can I Earn More Than 100 Making Memes?**

I know what you're probably thinking and the answer is yes. You can earn more than 100 making memes. I have done it before. There is no limit to how much money you can earn making memes.

What this book focuses on the most is teaching you and everyone else who buys this book how to earn their FIRST 100 dollars making memes. As long as you have a talent for making memes and self efficacy you will be able to earn more than 100 making memes.

**Elephant In The Room**

Now let's address the elephant in the room. You most likely doubt I earned 100 making memes and that is okay. It is perfectly normal to be skeptical. If I were you I would be suspicious too. I have proof that I earned 100 making memes. Just visit the following web address: <https://tinyurl.com/y972bmoo>.

The elephant in the room has finally been addressed and now it is time for you to take action.
