Managing Knowledge with Artificial Intelligence Kevin C. Desouza, 2002-07-30 In clear readable language consultant and researcher Kevin Desouza accomplishes an unlikely feat explaining artificial intelligence to nonspecialists in a way that experts will recognize and accept as correct and immediately applicable Workers in knowledge management are relatively isolated from each other businesspeople are still unconvinced that artificial intelligence has much to offer and engineers creating the latest algorithm or device seldom consider its value for businesspeople Desouza seeks to change all that He maintains that knowledge will be traded like physical goods and that businesses must leverage knowledge resources within its organizations to survive in a highly competitive marketplace Introducing us the concepts and significance of knowledge management he shows that incorporating artificial intelligence computer based techniques into business settings can provide truly significant gains in productivity This book is among the first of its kind to provide a comprehensive one stop guide to the basics of knowledge management plus a lucid explanation of A I and how to use it in almost all types of organizational settings

Higher Education in the United States James J. F. Forest, Kevin Kinser, 2002-06-21 Surveys the changing landscape of American higher education from academic freedom to virtual universities from campus crime to Pell Grants from the Student Privacy Act to student diversity In the years following World War II college and university enrollment doubled students revolted faculty unionized and community colleges evolved Tuition and technology soared as did the number of first generation minority and women students These changes radically transformed the American system of postsecondary education Today that system is in trouble Its aging professoriate prepares for retirement but low academic salaries can no longer attract the best minds to replace them A flood of corporate dollars funds commercial research but money for basic research the seedbed of American scientific preeminence has dried up Colleges and universities also face heated competition with for profit education providers for students faculty and external financial support along with the costs of providing remedial education to growing numbers of students who are unprepared for postsecondary education Higher Education in the United States provides a comprehensive analysis of these issues and others that scholars and practitioners of higher education study discuss and grapple with on a daily basis

Consider No Evil Brandon G. Withrow, Menachem Wecker, 2014-07-10 Even casual acquaintances of the Bible know that the Truth shall set you free but in the pursuit of that Truth in higher education particularly in Christian or Jewish seminaries there are often many casualties suffered along the way What happens when faculty and students at religious academies butt heads with senior staff or dare to question dogmas or sacred cows that the institution cherishes Consider No Evil examines seminaries affiliated with two faith traditions Christian and Jewish and explores the challenges as well as prospective solutions confronting those religious academies when they grapple with staying true to their traditions as they interpret them while providing an arena that incubates honest and serious scholarship

College Rankings Today Customer Service: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. College Rankings Today Customer Service : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. College Rankings Today Customer Service : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
