deserving of every advantage destined for success Consequently they learn to work hard and distinguish themselves for the sake of status and material reward rather than for the benefit of others the larger community the world Success is defined as something almost entirely selfish there is little attention or time given to the pursuit of education for the sake of wisdom or even real happiness Drawing from his long career as an educator and experience as a father of teenage boys McCullough will expand upon the ideas laid out in his radical twelve minute speech and argue that we can do better as parents and as teachers than fostering in our children a sense of privilege and entitlement Watch the speech at www.youtube.com/watch?v=lxYhtf8o4 Or read it at <http://theswellesleyreport.com/2012/06/wellesley-high-grads-told-youre-not-special>
