How I Got Paid to Go to College Takayoshi Miyamoto, 2018-07-27 Let's face it college is expensive these days While that is certainly true I have had the rare opportunity to go through a prestigious college for virtually free through financial aid Actually not even for free in the past 3 years I have ended up with a net positive in my finances an overfunding of financial aid meaning I'm being paid to go to college Isn't financial aid amazing Are you a high school student or the parent of one Do you want to learn about financial aid and what schools offer it Or are you just interested in my story into

college and throughout and how I was able to receive this financial aid and thrive with it Then this book is for you What You ll Learn Why is college so expensive How do I deal with this if college is so expensive What is financial aid Why would colleges offer financial aid to students Which students in prestigious or ultra competitive universities receive financial aid the most How can colleges afford to give financial aid Which colleges exactly give the best financial aid What is a need blind college Are there actually colleges that exist that meet 100% of your financial need through financial aid Are loans included in my financial aid package How did I get into this competitive college What credentials do I need to get into a competitive prestigious college What are the most important factors in a college application Will colleges really give you a full ride What does a financial aid package look like How did I maintain my finances in college after getting financial aid What did my path to college look like And so much more What s Inside A personal account of myself going through college on a full scholarship through financial aid A comprehensive list of colleges that offer the best financial aid and are the most likely to give you a full ride Actual examples of financial aid packages from different kinds of colleges and comparisons between them Credentials needed to get into a competitive prestigious university and how to be the kind of person a good university would want to accept My budget plan in my 3 years of college thus far and how I ended up with a net positive through financial aid Who This Book Is For Anybody who is interested in my story or interested in financial aid in colleges in general But especially students whose parents are low income or middle class or parents of those students In particular those students or parents of students who feel like they are disadvantaged and hopeless because of their socio economic status like I once felt Fear not financial aid can save you Bottom line is you ll learn about financial aid through a personal account of a low income student attending a prestigious university Hope you enjoy

NotGoingBroke College Planning for Busy Parents: A Guide to Affordable Colleges, Financial Aid, Scholarships, and Tax-Saving Strategies Troy Onink, 2012-08-06

ABOUT THE BOOK The most important thing to remember about my College Crossroads blog at Forbes.com is that my posts are different than what is typically written elsewhere on college planning and that is because I bring a rather unique perspective to this specialized area For almost twenty years I have specialized in helping families determine their best strategy to pay for college and doing so requires a rare knowledge of how four key areas must come together to form a family's best strategy College selection financial aid tax aid and personal resources College admissions and financial aid professionals know their respective areas well as do tax and financial advisors but virtually none have a solid grasp of the areas outside their own let alone how each area impacts the others for college planning purposes That's where I come in I have spent twenty years working with families and collaborating with these other professionals making it my business to make the connections gain the insights and innovate ways to help families determine their best strategy to pay for college and enjoy a Real Life Retirement My blog posts are less about what the latest studies or headlines say and more about what you really need to know I am about answers not more and more information If I think you need to know about a single topic in more detail I go to the experts on those topics and interview them in the context of the four key areas College selection financial aid tax aid and the use of your personal resources to pay your share of the cost with or without financial aid It keeps the focus on strategy and simplicity the best strategy to pay for the colleges that are the best fit Finally unless a student is independently wealthy getting a college degree is ultimately about getting a job The blog and this book cover that too

ABOUT THE AUTHOR Troy Onink is a nationally known authority on college planning Troy has specialized in college planning for twenty years during which he pioneered this specialized field by integrating the areas of financial planning investing college admissions financial aid tax strategies and wealth management for the purpose of determining each family's best strategy to pay for college Troy views college as a tollbooth on the road to retirement and by having a strategy families choose the right exits pay the toll as wisely as possible and stay up to speed for retirement Troy is CEO of Stratagee.com the firm he co

founded to create innovative college planning software to help families identify where their children may be able to get in to college and get aid and determine the family's best strategy to pay for the colleges that are the best fit for their children

EXCERPT FROM THE BOOK **Why College Co Op Programs Totally Rock** I made 46 000 working as a Co Op student for a great company while I was getting my college degree from a well known university and now the company that I did my Co Op with wants to hire me This isn't too good to be true The truth is that College Co Op programs totally rock and I could have gotten that quote from thousands of Co Op students nationwide There are several reasons why college Co Op programs rock

Added Work Experience and Job Offers Think about this One student goes to college tries to find a job in the summer just to help with expenses and then graduates on time with good grades but no work experience and a boat load of student loans Another student goes to college for the first half of the year then goes to work at a company that is part of her university's Co Op program gains six months of work experience for which she is paid 11 000 18 000 then goes back to campus to learn in the classroom repeating this cycle until she graduates with both a degree and meaningful work experience Buy the book to read more
