Addressing the foundational principles of customer service excellence this book equips you with the tools you need to tailor your services exceed customer expectations and ensure long term success in the ever changing business landscape.

THE 4 DIMENSIONS OF TOTAL CUSTOMER SERVICE Stuart McKechnie, 2014-08-08 This book is about Total Customer Service. It applies to all types of organisations large and small private or public. It considers the ongoing changing context and circumstances such as technology social media and remote buying which influence the relationship between the selling organisation and the buying customer. It introduces The Customer Service Hallmark a unique Customer Service Quality Standard and guiding implementation and benchmarking framework. It takes Customer Service beyond Have a Nice Day and the obvious Surface approaches to Customer Service. It positions Customer Service as having its roots in the cultural heart of the organisation. The book adopts a holistic view of organisations incorporating Organisation Development approaches to managing improvement interventions. It positions Total Customer Service within and across all organisation functions and boundaries and includes a proactive stance to managing external environmental influences. The book provides reflective reading plus new and refreshed ideas tools and models. The interesting presentation of the book takes the reader through the development of a practical methodology which guides improves sustains and maximises the provision of Total Customer Service and organisation improvement. Anyone who has an interest in Total Customer Service and organisation performance improvement will find this book valuable and enjoyable. Vision to Action Sub System Synergy Hilltops ERUDITE Leadership Futuristic Thinking Competitive Integrity and Triple E touch point management all contribute to Customer Service and are some of the innovative concepts included in this book. The book brings together organisational capacity and capability and reflects a synergistic approach which promotes cross functional cooperation and harmony. The Four Dimensions of the Customer Service Hallmark provide an integrated framework which

positions Total Customer Service as a coordinated strategic response to achieving organisation improvement and strategic intent

Waiting For Service Amas Tenumah, 2021

You hate waiting in line or on the phone for customer service. There have been plenty of books about customer service that all seem to offer secrets to improve customer service. This is not that book. I instead want to focus on why customer service is so broken and give you the secrets to get around it. Customer service is bad by design. Your bad customer service is not random; it is intentional. Customer service is universally terrible; this is not an opinion. You do not have to believe me; I am saying it is raining outside and you can simply look out the window. I spent two decades helping dozens of your favorite brands with customer service. You will laugh, get mad, all over again at some of the conversations I have had with executives around customer service. I name names, expose customer service nightmares from Travel to Cable, Walmart, fast food, and so much more. I also provide you with how to get around bad service and offer radical thinking to reset customer service.
