Netflix Today:

Netflix's Speculative Fictions Colin Jon Mark Crawford,2020-12-10 Netflix's Speculative Fictions Financializing Platform Television argues that Netflix's scaled expansion has hinged upon its ability not only to create but more importantly to communicate new forms and flows of potential value in platform capitalism wherein capital is mobilized not only from direct revenue streams but also the new value assigned to inputs and investments of data debt attention behavior taste time sociality and speculation To interpret and critique these new communications and projections of value Colin Jon Mark Crawford performs a discursive analysis of the platform television industry leader Netflix and its investor lore the multi sited narrative of value found in the company's investor relations materials and corporate communications such as letters to shareholders financial earnings reports executive interviews press releases and blog posts Netflix best represents the increasingly ubiquitous nexus of culture tech and finance industries that is platform television To better understand the emergent financial logics of this relatively new media industry we must first understand the speculative narratives and discourses of value which organize it Scholars of media studies television studies technology studies and economics will find this book particularly useful

Investing in Movies Joseph N. Cohen,2017-05-12 Investing in Movies Strategies for Investors and Producers is a useful guide for investors and producers looking for an analytical framework to assess the opportunities and pitfalls of film investments The book traces macroeconomic trends and the globalization of the business as well as the impact these have on potential returns It offers a broad range of guidelines on how to source interesting projects and advice on what kinds of projects to avoid as well as numerous ways to maximize risk adjusted returns While focusing primarily on investments in independent films industry veteran and author Joseph Cohen also provides valuable insights into the studio and independent slate deals that have been marketed to the institutional investment community Features of this book include A guide to the minefield of film investing for the potential investor giving students and aspiring professionals an insider perspective A detailed explanation of the risk and rewards inherent in the film business and how to evaluate projects Thorough coverage of the cast of characters that populate the film space and advice on building relationships to optimize opportunities
