Pilates: Full-Body Workouts for a Stronger, Sexier You Jasmine Evans, 2012-07-30

ABOUT THE BOOK Pilates is a kind of exercise that works both the mind and the body It improves strength without necessarily building bulk It also targets the core midsection and other muscles that often get neglected by other activities My introduction to Pilates happened at an early age For most of my life I was considered tall for my age with long legs and big feet My parents thought it would be a good idea to enroll their lanky toddler in ballet classes I continued those classes and other dance classes for over 14 years In high school I was a lean 5'8" ballet dancer and basketball player I still had big feet but they were complemented by long legs long arms and a long neck What did I have to complain about My midsection I was relatively slim but I had a pudgy middle In high school where appearances are everything I wanted to do something about it Fortunately around this time my dance instructor introduced the class to the Pilates method She said that Pilates is based off of the ballet moves many of us had been doing for most of our lives She promised that the method would flatten our midsections and make us feel taller My dance instructor made good on her promise After just 15-20 minutes of Pilates before we started dancing I felt taller Over time I felt slimmer I was hooked I've been doing Pilates ever since and I love it I've taken classes and I've done several Pilates DVDs Of all the activities I participate in everything from running to basketball to kickboxing to Zumba Pilates is one that I always come back to because it is really so effective and important

EXCERPT FROM THE BOOK

Pull the part of your stomach area that is below your belly button upwards and inwards as if you are pulling it away from your belt line Keep your rib cage relaxed and breathe normally You should be able to feel the muscle contracting in your lower abdomen Another essential skill is being able to activate your pelvic floor Your pelvic floor muscles are at the base of your abdomen They control your bladder and bowel functions They also stabilize not only the pelvis but also the lower back If you have lower back pain are pregnant or experience incontinence learning how to control these pelvic floor muscles can really help How do you activate your pelvic floor Start in neutral spine position Contract the muscles you would use to urinate Breathe as you normally would Once you can handle activating your TA and your pelvic muscles separately try activating them together Ready for some advanced Pilates moves Great Here are six of the most common moves for experienced Pilates pupils Because sometimes it's easier to see the moves being done rather than reading about them many

of the links in this section are to videos Advanced Pilates ExercisesThe Crab The Crab requires complete control from your core so it will give you a great ab workout It builds on exercises like the Roll Up but is slightly more advanced Start by sitting up straight Bend your knees almost Indian style and cross your feet at the ankles Bring your knees up to your shoulders and grab your feet with your hands Drop your head and allow your spine to curve as you prepare to roll Breathe in and roll back Control the movement Try not to let your limbs flail around Once you roll to your shoulders let go of your feet and switch your feet around Grab your feet again as you prepare to roll up Breathe out and roll forward Inhale as your head touches the mat Roll back to repeat the move Double Leg Kick This move works the back extensors and the hamstrings primarily but it can be a total body exercise as well Start by lying face down with your head turned to one side and your feet together

Pilates for You Ann Crowther,2009 *Wall Pilates and Chair Yoga for Men* Elisa Sinno,2024-05-04 Tired of chasing fleeting promises of well being It s time to take back control of your physical and mental well being from the comfort of your home Discover the key to your transformation with Pilates on the wall and Chair Yoga for men Mental Well being and Physical Strength Optimal Toning and Flexibility Experience Pilates on the wall your essential ally for sculpting your figure improving your posture and boosting your flexibility all without expensive equipment Mental Serenity and Increased Concentration Adopt chair yoga an age old practice brought up to date to soothe the mind reduce stress and cultivate full awareness that will revolutionize your daily life More than just an exercise guide this book is your personal coach for every day of the year leading you towards an improved version of yourself Tailor made for men it offers a holistic journey combining physical strength and inner peace using validated methods adapted to our times What you will find there A detailed action plan for integrating wall mounted Pilates and chair yoga into your daily life Precise guidelines ensuring safe and beneficial practice Progressive programs customizable according to your level and your objectives This book is your passport to firm health peace of mind and renewed energy It addresses your body but also your mind and your soul providing you with the tools to face the turbulence of today s life with elegance and vigor Start now your health and well being will thank you tomorrow
