beyond time itself What begins as a spark in an office soon unravels into something neither can explain a connection that feels older than memory itself Bound by a mysterious book and dreams of two lovers Liam and Mia discover that some stories don t start in this lifetime they simply continue As passion collides with destiny and duty threatens to tear them apart they must face a truth whispered through time and tide This is my poetic reincarnation of romance that travels across centuries memories and the hearts that never stopped finding each other A Touch that Awakens the Soul Melissa S

Williams,2025-07-14 In a quiet coastal town brushed by wind and memory Eylli Q returns to a weathered cottage seeking refuge from the noise of her past Her heart once bright with dreams now yearns for stillness and a place to begin again What she doesn t expect is Rhys Everhart the debonair carpenter with music in his hands and solitude in his soul Their connection unfolds slowly like the first chords of a forgotten song tentative tender and deeply moving As melodies rise from old instruments and unspoken feelings surface through moments of shared silence trust begins to grow and creativity gently returns Together they begin to heal not only from what life once took from them but from what they had forgotten they were still capable of giving With each passing day they discover that love doesn t ask for perfection it simply asks for presence and sometimes it s the softest touch that stirs and awakens the soul Eylli and Rhys come to realize that love doesn t always announce itself There are moments found in the rhythm of small gestures in the warmth of a lingering touch and in the silent promise of someone who chooses to stay A Touch That Awakens the Soul is a deeply romantic and inspirational novel about rediscovering love healing through connection and finding home not in a place but in each other A story for anyone who believes in love second chances and the kind of intimacy that lingers long after the final page
