Unlikely Warrior Georg Rauch,2015-02-24 A fascinating account of what it was like for a partial Jew to serve in the German military during World War II Bryan Mark Rigg author of Japan's Holocaust As a young adult in wartime Vienna Georg Rauch helped his mother hide dozens of Jews from the Gestapo behind false walls in their top floor apartment and arrange for their safe transport out of the country His family was among the few who worked underground to resist Nazi rule Then came the day he was drafted into Hitler's army and shipped out to fight on the Eastern front as part of the German infantry in spite of his having confessed his own Jewish ancestry Thus begins the incredible journey of a nineteen year old thrust unwillingly into an unjust war who must use his smarts skills and bare knuckled determination to stay alive in the trenches avoid starvation and exposure during the brutal Russian winter survive more than one Soviet labor camp and somehow find his way back home Unlikely Warrior is Rauch's true account of this extraordinary adventure An astonishing rediscovered memoir People An exceptionally well written account of unimaginable hardship it's also an engaging read that serves as powerful testimony to the insanity of war and the human will to survive Publishers Weekly starred review The story is well paced offering a fascinating and intriguing look at the era School Library Journal With honesty and affection Georg Rauch tells of the love and respect between a mother and son as well as the nightmare experiences of a young soldier fighting and barely surviving a war he never wanted understood or could justify Lake Chapala Review The Unlikely Warrior Anna M. Lewis,2014-01 Like most Lily had no idea what was to be her destiny She did not have any idea exactly what direction her life would take but she knew it would be one adventure after another She looked forward to each new day and the experiences it would bring Nothing could have prepared Lily for what was to be her fate Locked in a coma lying in a hospital room Lily was unable to speak or let anyone know she was awash with thoughts dreams and memories and her mind was active Lily's mother Helen was terrified by the prospect her only daughter may live out her life in a vegetative state Helen went from not believing in God at all to being very angry with a God that could be so cruel as to take her daughter's youth and beauty in addition to her future But something amazing was happening Lily was not staying in her hospital room She would find herself in a beautiful garden talking to a local potter He would ask Lily questions about what was going on in her world They would talk for hours and she even got to see her grandpa whom she had not seen since he went to Heaven Was Lily losing her mind Was the pain and prospect of a life in a coma too much to bear Or was Lily slowing dying slipping away little by little Was she really slipping into Heaven The author Anna Lewis is an educator speaker minister and professional artist She is active in her community and ministers with her husband Ben They make their home in Fort Smith Arkansas along with their Goldendoodle Precious *Unlikely Warrior* , Unlikely Warrior Robert C. much as possible about the man and one could easily argue that the idea shall simply be used in conversion One can learn more about the person when taking into account all that has been produced by the author who is part of the person By this means one can extract valuable information about both person and author and thus can easily uncover some mysteries that have been established by the author person to conceal the reality behind a fixed idea that has always played a significant role in Naipaul s life Having studied English Naipaul was aware of all the tools available and of the aims of literary critics and seems to have challenged these established routes for his own sake and to serve his purpose

Unlikely Warrior C. Michael Dingman,2014-03 As a child I was anything but brave I was a fearful child not confident at all a follower not a leader I was small for my age a fair skinned tow head the third of four children born into a family of modest means So begins the journey of C Michael Dingman from conflict avoiding child and teen to multiple medal decorated combat medic to devoted minister Unlikely Warrior is an achingly honest testimony of a decent boy becoming a good man trusting his God and doing his best to do the right thing while covered in mud and blood and ducking volleys of enemy fire I had to make a choice between peace and honor and I had chosen honor A perfect sentence and a perfect statement of theme Dingman includes realistically moments of levity amidst the horror of war this is entirely appropriate as unremitting terror simply cannot be borne The most effective journeys of the heart encompass the whole spectrum of human emotion Dingman s language is fresh his sense of story exquisite and his powerful faith palpable and moving Unlikely Warrior bears all the marks of an enduring work I left home just a boy pretending to be a soldier Now I was coming home a man who had come face to face with the realities of war and survived I had been forced to choose between my decision not to carry a weapon and my responsibility as a medic to care for and protect those who might not be able to protect themselves I had faced my fears and overcome them relying on my faith in Christ and His promise to be with me always
