The Unnecessary Pastor The Unnecessary Pastor:

The Unnecessary Pastor Marva J. Dawn, Eugene H. Peterson, 1999-11-17 Best selling authors Marva Dawn and Eugene Peterson offer encouragement to pastors Pastors are strategically placed to counter the culture No other profession looks so inoffensive but is in fact so dangerous to the status quo Their weapon A gospel that is profoundly countercultural But standing firm in today s world isn t easy Powerful forces both subtle and obvious attempt to domesticate pastors to make them in a word unnecessary In this book two of today s most respected authors help pastors recover their gospel identity and maintain a pure vision of Christian leadership Marva Dawn and Eugene Peterson reconnect pastors with the biblical texts that will train them as countercultural servants of the gospel Marva Dawn looks to Paul s letter to the Ephesians for instruction for churches seeking to live faithfully in today s world In turn Eugene Peterson explores Romans 1 and 2 Timothy and Titus drawing from them the correct view of pastoral identity The unnecessary pastor : rediscovering the call Marva ; Peterson Dawn (Eugene), 2000 Choose the Life Bill Hull, 2004-05-01 Many churches harbor harried congregations merely going through the motions sleepwalking saints who fail to experience transformed living Many are unable and unwilling to share the gospel convinced that it s not their gift True disciples do more than the minimum explains Hull They choose the life and commit to bringing Jesus to the lost They live out their beliefs and walk the walk Submission shows the doubting world that Christ is embedded in their character Choose the Life is a practical tool as accessible to laypeople as ministry leaders Any church seeking life changing significance will be challenged by this cutting edge resource No hand holding here Choose the Life shows church members how to take individual responsibility for both being discipled and discipling others **The Message Devotional Bible** Eugene H. Peterson, 2018-10-02 Find Your Way in Scripture Scripture is another world One we find our way into And one that finds its way into us Steeped in Scripture Eugene Peterson s faith filled reflections open the door The Message Devotional Bible invites you on a journey call it practicing resurrection call it eating this book or call it simply a long obedience in the same direction From the pastor who translated the entire Bible The Message Devotional Bible sets you on the right path devoted not just to the Bible but to God who in Jesus became flesh and blood and moved into the neighborhood Open the door between Scripture and your world From Eugene Over 600 scriptural insights 52 contemplative readings Introductions to the books and genres of the Bible Plus More than 400 reflection questions 9 neighborhood themed articles **Full Service** Siang-Yang Tan, 2006-03 A thorough exploration of what biblical servanthood is why each Christian is called to serve and how to grow as true servants of our Lord **Confronting Technology** Matthew T. Prior, 2020-03-16 We are living through a digital revolution which already touches every area of life and will continue to shape the future in as yet unforeseen ways Digital technologies are an ordinary part of daily life and yet they also present an unprecedented challenge to Christians to articulate a biblical theological framework to navigate times of rapid change The work of the French theologian Jacques Ellul is a theological time bomb primed for times like these Accounts of Ellul s career often divide

off his sociology and theology but this book argues that Ellul conceived a single project of bringing technology into confrontation with the Word of God tackling the phenomenon he named technique the pursuit of maximal power and efficiency implicit in the technological enterprise with a profound depth of biblical and ethical insight Centering himself on the apocalypse or revelation of Jesus Christ in history Ellul offers a monumental timely though far from flawless contribution to contemporary ethical debates about the uses and abuses of technologies His work blazes a trail that Christians and all concerned for the future would do well to follow as we avoid both the naivety of technological neutrality and the dread of technological determinism

A Journey to the Promised Land J. Mastine Nisbett, 2011-03-11 Dean Nisbett has crafted an excellent book that is carefully researched He is a masterful storyteller combining theology sociology history scripture and church architecture into a masterpiece Writing about the struggle of a suburban parish to build an edifice the author cites numerous parallels between the Israelites history and that of the parish He recasts the Israelites story into the contemporary making the Bible relevant in demonstrating the ongoing work of God Nisbett explores the struggle of African Americans to be integrated into the United States of America He addresses the tension between West Indians and black Americans and notes the latter's significant contribution to the Episcopal Church He recognizes the indelible contribution of the first African Americans who penetrated the white enclave of Cambria Heights Recognition is also made of black Episcopalians for their valuable contribution to the society and for challenging the church to be honest to its Catholicity insisting that they black Episcopalians be included into the Body of Christ The author explicates the concept of vocation the call to serve God in His church He shares his personal experience Very inspiring A must read for those contemplating the ordained ministry The book integrates the Church into the life of the community It is an excellent tool for congregational development and could serve as a model for congregations to chronicle their history from a theological perspective In addition the book will be useful to those researching the history of the ordination of black Episcopalians and the birth of the black Episcopal congregation in the United States It is a wonderful resource for those considering church construction Finally the author theologizes the building and provides a helpful manual for every worshiper whom the author in reference to 1st Peter describes as living stones built upon the foundation of Jesus Christ The chief Corner Stone
