**Copyright's Excess** Glynn Lunney,2018-04-12 For more than two hundred years copyright in the United States has rested on a simple premise more copyright will lead to more money for copyright owners and more money will lead to more original works of authorship In this important illuminating book Glynn Lunney tests that premise by tracking the rise and fall of the sound recording copyright from 1961 2015 along with the associated rise and fall in sales of recorded music Far from supporting copyright s fundamental premise the empirical evidence finds the exact opposite relationship more revenue led to fewer and lower quality hit songs Lunney s breakthrough research shows that what copyright does is vastly increase the earnings of our most popular artists and songs which net result means fewer hit songs This book should be read by anyone interested in how copyright operates in the real world

**Media and Crime. Women's Fascination with True Crime**, 2024-10-30 Seminar paper from the year 2022 in the subject Sociology Law and Delinquency grade 1 0 E tv s Lor nd University Faculty of Law course Criminology Crime and Criminal Justice language English abstract Aren't females themselves the archetypical victim in true crime stories? So why would they enjoy listening, watching or reading about the horrible things rapists and serial killers do to their targets? With this paper I seek to shed light into that paradox. I want to explain why true crime media is specifically popular amongst women. So firstly I will give a quick introduction into the rising popularity of true crime media. Secondly I will explore as well as explain the gender gap in true crime consumption with the aid of various social psychological, sociological and criminological research and present a profile of the typical female true crime fan. I will finish off with a summary.

**The Malahat Review**, 2015 **How to Get on Podcasts: Cultivate Your Following, Strengthen Your Message, and Grow as a Thought Leader through Podcast Guesting** Michelle Glogovac, 2024-02-27 How to leverage podcast guesting to elevate yourself as a thought leader, generate more revenue and promote your business all for little to no cost. The explosion of social media AI enabled online advertising and the overall cacophony of the internet has made it harder than ever to connect a message with an audience. One of the most powerful emerging tools for cutting through that noise is being a guest on podcasts or podcast guesting. Michelle Glogovac aka The Podcast Matchmaker™ knows the impact podcast guesting has on business and brand growth. She helps entrepreneurs, nonprofit leaders, activists, experts, and authors promote themselves, their businesses, organizations, stories, and expertise via podcast interviews. In *How to Get on Podcasts*, she teaches you how to Create unique speaking topics without being generic. Define your ideal audience. Design branded media kits. Establish your expertise and knowledge. Share yourself freely without resorting to sales tactics. Tell compelling stories. Repurpose your interviews into evergreen marketing content. Turn every interview into a valuable business opportunity. There are more than two million podcasts out of which 500 000 host expert guests, a huge opportunity for leveraging a free and robust marketing tool if you have the know-how. With *How to Get on Podcasts*, you have everything you need to increase business, boost your career and brand, and elevate your thought leadership potential.

Roth,2023-07-18 AN INSTANT NEW YORK TIMES BESTSELLER A NEXT BIG IDEA CLUB MUST READ The bestselling author and entrepreneur investigates what would happen if a new financial world order took hold one in which global elites own everything and you own nothing and yet you are somehow happy When Carol Roth first heard that one of the World Economic Forum s predictions for 2030 was You will own nothing and be happy she thought it was an outlandish fantasy Then she researched it What she found was that a number of businesses governments and global elites share a vision of a

future that sounds utopian Everyone will have everything they need and no one will own anything From declines in home and vehicle ownership to global inflation and government spending many of the trends of modern life reveal that a new world that is emerging one in which Western citizens by choice or by circumstance increasingly do not own possessions or accumulate wealth It's the perfect economic environment for the rich and powerful to solidify their positions and prevent anyone else from getting ahead In You Will Own Nothing Roth reveals how the agendas of Wall Street world governments international organizations socialist activists and multinational corporations like Blackrock all work together to reduce the power of the dollar and prevent millions of Americans from taking control of their wealth She shows why owning fewer assets makes you poorer and less free This book is essential guide to protecting your hard earned wealth for the coming generations
