**Teleny, or The Reverse of the Medal: A Physiological Romance of To-day** Anonymous, 2020-09-28 That thrilling longing I had felt grew more and more intense the craving so insatiable that it was changed to pain the burning fire had now been fanned into a mighty flame and my whole body was convulsed and writhed with mad desire My lips were parched I gasped for breath my joints were stiff my veins were swollen yet I sat still like all the crowd around me But suddenly a heavy hand seemed to be laid upon my lap something was hent and clasped and grasped which made me faint with lust The hand

was moved up and down slowly at first then fast and faster it went in rhythm with the song My brain began to reel as throughout every vein a burning lava coursed and then some drops even gushed out I panted All at once the pianist finished his piece with a crash amidst the thundering applause of the whole theatre I myself heard nothing but the din of thunder I saw a fiery hail a rain of rubies and emeralds that was consuming the cities of the plain and he the pianist standing naked in the lurid light exposing himself to the thunderbolts of heaven and to the flames of hell As he stood there I saw him in my madness change all at once into Anubis the dog headed God of Egypt then by degrees into a loathsome poodle I started I shivered felt sick but speedily he changed to his own form again I was powerless to applaud I sat there dumb motionless nerveless exhausted My eyes were fixed upon the artist who stood there bowing listlessly scornfully while his own glances full of I eager and impassioned tenderness seemed to be seeking mine and mine alone What a feeling of exultation awakened within me But could he love me and me only For a trice the exultation gave way to bitter jealousy Was I growing mad I asked myself As I looked at him his features seemed to be overshadowed by a deep melancholy and horrible to behold I saw a small dagger plunged in his breast with the blood flowing fast from the wound I not only shuddered but almost shrieked with fear the vision was so real My head was spinning round I was growing faint and sick I fell back exhausted in my chair covering my eyes with my hands

*Teleny* Anonymous,2021-08-10 Teleny 1893 is an erotic novel published anonymously yet often attributed to Irish playwright Oscar Wilde Considered one of the first works of fiction to openly depict homosexuality Teleny is the story of Camille Des Grieux's sexual awakening the obstacles he faces from society as a gay man and the passionate moments shared between lovers from all walks of life As I listened to his playing I was spell bound yet I could hardly tell whether it was with the composition the execution or the player himself At the same time the strangest visions began to float before my eyes First I saw the Alhambra in all the luxuriant loveliness of its Moorish masonry those sumptuous symphonies of stones and bricks so

like the flourishes of those quaint Gipsy melodies Then a smouldering unknown fire began to kindle itself within my breast At a concert with his mother Camille Des Grieux finds himself fiercely attracted to the young man on stage the brilliant Hungarian pianist Teleny As their eyes meet for the first time Camille knows they are meant to be together Despite the restrictions placed on gay men despite the stories he has heard of Teleny as an unfaithful lover Camille introduces himself Filled with heated scenes of romance between its insatiable cast of characters Teleny is an erotic novel that continues to entertain shock and surprise over a century after it was published With a beautifully designed cover and professionally typeset manuscript this edition of Teleny is a classic work of Victorian erotica reimagined for modern readers Teleny, or The Reverse of the Medal (A Gay Erotica Classic attributed to Oscar Wilde) Oscar Wilde, 2013-11-10 This carefully crafted ebook Teleny or The Reverse of the Medal A Gay Erotica Classic attributed to Oscar Wilde is formatted for your eReader with a functional and detailed table of contents Teleny is a pornographic novel first published in London in 1893 The authorship of the work is unknown There is a general consensus that it was an ensemble effort but it has often been attributed to Oscar Wilde Set in fin de siècle Paris its concerns are the magnetic attraction and passionate though ultimately tragic affair between a young Frenchman named Camille de Grieux and the Hungarian pianist Ren Teleny The novel is significant as one of the earliest pieces of English language pornography to explicitly and near exclusively concern homosexuality as well as for a lush and literate though variable prose style and a relative complexity and depth of character and plot development that give it as much in common with the Aesthetic fiction of the period as with its typical pornography Oscar Wilde 1854-1900 is a central figure in aesthetic writing Wilde was a poet fiction writer essayist and editor Oscar Wilde is often seen as a homosexual icon although as many men of his day he was also a husband and father Wilde's life ended at odds with Victorian morals that surrounded him He died in exile Teleny, Or, The Reverse of the Medal Oscar Wilde, 1966 **Teleny. been a vocal and supporting partner to the activism that has characterized the movement for lesbian and gay rights before 1969 there were few political initiatives and only a handful of organized groups the text was dominant Erotic Fantasies
