

# General TEA Definitions of New and Returning Raters

- A district may, at its discretion, require a returning rater to repeat **new rater** training.
  - *This may be advisable if testing personnel believe that a returning rater who was unable to meet rating accuracy requirements in the past would benefit from retaking the online basic training course prior to calibration.*
  - *Additionally, TEA recommends that districts consider requiring this if they have not completed TELPAS training since the 2008–2009 school year.*
