## **Terms Of Enlistment Frontlines:**

**Terms of Enlistment** Marko Kloos, 2014 The year is 2108 and the North American Commonwealth is bursting at the seams For welfare rats like Andrew Grayson there are only two ways out of the crime ridden and filthy welfare tenements You can hope to win the lottery and draw a ticket on a colony ship settling off world or you can join the service Andrew chooses to enlist in the armed forces But as he starts a career of supposed privilege he soon learns that good food and decent health care come at a steep price

**Orders of Battle** Marko Kloos, 2020-12 The battle against the Lankies has been won Earth seems safe Peacetime military Not on your life It s been four years since Earth threw its full military prowess against the Lanky incursion Humanity has been yanked back from the abyss of extinction The solar system is at peace For now The future for Major Andrew Grayson of the Commonwealth Defense Corps and his wife Halley Flying desk duty on the front No more nightmares of monstrous things No more traumas to the mind and body But when an offer comes down from above Andrew has to make a choice continue pushing papers into retirement or jump right back into the fight What s a podhead to do The remaining Lankies may have retreated in fear but the threat isn t over They need to be wiped out for good before they strike again That ll take a new offensive deployment Aboard an Avenger warship Andrew and the special tactics team under his command embark on the ultimate search and destroy mission This time it ll be on Lanky turf No big heroics No unnecessary risks Just a swift hit and run raid in the hostile Capella system Blow the alien seed ships into oblivion and get the hell back to Earth At least that s the objective But when does anything in war go according to plan

**Chains of Command** Marko Kloos, 2016 The assault on Earth was thwarted by the destruction of the aliens seed ship but with Mars still under Lanky control survivors work frantically to rebuild fighting capacity and shore up planetary defenses Platoon sergeant Andrew Grayson must crash course train new volunteers all while dulling his searing memories of battle with alcohol and meds Knowing Earth s uneasy respite won t last the North American Commonwealth and its Sino Russian allies hurtle toward two dangerous options hit the Lanky forces on Mars or go after deserters who stole a fleet of invaluable warships critical to winning the war Assigned to a small special ops recon mission to scout out the renegades stronghold on a distant moon Grayson and his wife dropship pilot Halley again find themselves headed for the crucible of combat and a shattering new campaign in the war for humanity s future

**Points of Impact** Marko Kloos, 2018-01-09 Humankind may have won the battle but a new threat looms larger than ever before Earth s armed forces have stopped the Lanky advance and chased their ships out of the solar system but for CDC officer Andrew Grayson the war feels anything but won On Mars the grinding duty of flushing out the twenty meter tall alien invaders from their burrows underground is wearing down troops and equipment at an alarming rate And for the remaining extrasolar colonies the threat of a Lanky attack is ever present Earth s game changer New advanced ships and weapons designed to hunt and kill Lankies and place humanity s militaries on equal footing with their formidable foes Andrew and his wife Halley both now burdened with command

responsibilities and in charge of more lives than just their own are once again in humanity's vanguard as they prepare for this new phase in the war. But the Lankies have their own agenda and in war the enemy doesn't usually wait until you are prepared. As Andrew is once again plunged into the chaos and violence of war with an unyielding species, he is forced to confront the toll this endless conflict is taking on them all and the high price of survival at any cost. Centers of Gravity Marko Kloos, 2022-08-30 Stranded light years from home, Major Andrew Grayson and his crew are on a desperate mission to discover the Lankies' secrets. They can't let what they've found die with them. Nine hundred light years from home, Major Andrew Grayson and the crew of NACS Washington are marooned in a sunless system with limited water reactor fuel and food. The last hope for survival is to go where nothing human has gone before. After embarking on a scouting mission to the only moon with surface signs of life, Andrew and his Special Tactics Team make two startling discoveries. One is a dream: a form of protein and plant life that could save the starving humans in the rogue system. The second is a nightmare: this harvested rock is infested with Lankies. Far from the seemingly mindless aggressors, Andrew has battled for years; these show a terrifying awareness and they have surprising secrets of their own hidden away in the darkness. When the Lankies sense an uninvited presence in their world, Andrew's operation becomes an expedition to hell. The odds against his small crew are stacked high. Of all the mysteries of space, how to escape with their lives is the greatest unknown of all. *Fields of Fire* Marko Kloos, 2017 Mars has been under Lanky control for more than a year. Since then, the depleted forces of Earth's alliances have rebuilt their fleets, staffing old warships with freshly trained troops. Torn between the need to beat the Lankies to the punch and taking enough time to put together an effective fighting force, command has decided to strike now.

**Lines of Departure** Marko Kloos, 2014 Humanity is on the ropes and, after years of fighting a two-front war with losing odds, so is North American Defense Corps officer Andrew Grayson. He dreams of dropping out of the service one day alongside his pilot girlfriend, but as warfare consumes entire planets and conditions on Earth deteriorate, he wonders if there will be anywhere left for them to go. **Soldier Ants of War** Dr. Oliver Akamnonu and Professor Ndu Eke, 2010-03-11 *Soldier Ants of War* is a story about a war which lasted for 30 months in the heart of Africa. It is fiction that is based on actual experiences of two participants who were friends in school who participated in different capacities in actual action in the war: who survived and who went on to become specialist medical doctors at the cessation of hostilities. *Soldier Ants of War* represent actual events told in fiction form with narration of chilling events of war, the apathy and collusion of the international community, the doggedness of a people and their resort to unconventional maneuvers in desperate attempts to attain victory. Events that would appear benumbing are mixed with humor. Intrigues of war and politics are depicted without bias for the reader to be the better judge. *Soldier Ants of War* is a 70,000-word novel written by two academics and professionals who were physically present as high school students when it all happened. It embodies action, intrigues, love, even during war, dangerous political maneuvering between the world power and super powers, brutality, kindness by

anonymous humanity the song of birds and unpredictable jockeying with the destiny of a people events which leave the reader longing for more of the riveting tales      *Jewish Women and the Defense of Palestine* Meir Chazan,2022-09-01 The Jewish women s revolution was one of the quietest and most angst stricken of the revolutionary processes experienced by Zionism and the Yishuv the Jewish community pre 1948 in Palestine during the first half of the twentieth century but at the same time one of the most profound and lasting among them Jewish Women and the Defense of Palestine addresses women s struggle to join defense and military activities during the period between the establishment of the Hashomer organization in 1909 and the outbreak of the War of Independence in late 1947 It describes the battles women fought as they sought to challenge the male assumption that members of the weaker sex should not be integrated into defense activities Moreover the book analyzes the explicit and self conscious aspiration of women especially in the Labor settlement movement to actively participate in defending and guarding their settlements as part of their broader view of women having an equal right to share the burden of building the Jewish national home in Palestine      **Prosecuting International Crimes and Human Rights**

**Abuses Committed Against Children** Sonja C. Grover,2009-10-21 This casebook addresses selected precedent setting rulings of various international human rights and international criminal courts with a focus on the child victims of international crimes and human rights abuses The cases are analysed from the children s human rights perspective and the question is examined as to what extent the aforementioned courts are according these children justice The scope of the book is thus limited to the consideration of these representative important cases concerning violations of a international human rights and humanitarian law and b international criminal law involving child victims and the judicial remedies accorded or denied these victims and their family members This is not in any way to diminish the suffering and importance of the adult victims of violations of fundamental human rights and grave international crimes Rather the book is intended to deal with the restricted and largely neglected topic of to what extent international courts are attending to the implications of there being child victims with respect to the courts addressing and handling of among other matters the following a the con rmation of charges relating to child speci c international crimes i e recruitment of child soldiers forced child marriage etc      *Allies, Contacts, Enemies and Rivals* John Griffiths,Richard Hazelwood,2010 *Allies Contacts Enemies and Rivals* continues Spica Publishing s fine tradition of producing high quality supplementary material for the Traveller RPG presenting over 60 fully detailed NPCs to help and hinder your players a PsiTac team individual Patrons complete Free Trader Scout Courier and Mercenary Cruiser starship crews and a marine striker platoon Also included are 48 quick NPC statblocks to use as redshirts in combat situations Requires the Traveller core rulebook available from Mongoose Publishing      **Knighthood of Christian Warriors** Dr Donald Bell,2009-12 THIS BOOK ADDRESSES VITAL QUESTIONS CONCERNING ENDTIME EVENTS DEPICTED IN THE BOOK OF REVELATION AND THE CALLING OF WARRIOR SPIRITED CHRISTIANS OF THIS GENERATION We are right on the verge of devastating events that will create great fear and chaos throughout the world
