Laansma, George H. Guthrie, Cynthia Long Westfall, 2019-06-27 This volume presents a dialogue between historians, exegetes, and theologians on the background and key themes of the atonement in Hebrews Presenting a range of differing perspectives and contributing to the renewed conversation between biblical and theological scholarship the argument is structured in two parts contexts and themes within Hebrews Focusing on atonement not only in the Old Testament but also in the Greco Roman world and touching on themes such as sacrifice, plight, and solution and faith these contributions shed light on the concept of the atonement in a directly scriptural way The whole is a definitive collection of studies on the atonement in Hebrews that will be of service well

beyond the confines of Hebrews specialists a collection as important for what it says about the atonement and the 21st century church as for what it says about Hebrews *On the atonement and intercession of Jesus Christ.
