**Ten Thousand Nights** Marvin Carlson, 2017-10-04 Esteemed scholar and theater aficionado Marvin Carlson has seen an unsurpassed number of theatrical productions in his long and distinguished career *Ten Thousand Nights* is a lively chronicle of a half century of theatre going in which Carlson recalls one memorable production for each year from 1960 to 2010 These are not conventional reviews but essays using each theatre experience to provide an insight into the theatre and theatre going at a particular time The range of performances covered is broad from edgy experimental fare to mainstream musicals most of them based in New York but with stops at major theatre events in Paris Berlin Moscow Milan and elsewhere The engagingly written pieces convey a vivid sense not only of each production but also of the particular venue neighborhood and cultural context covering nearly all significant movements theatre artists and groups of the late twentieth century

Epistemic Situationism Abrol Fairweather, Mark Alfano, 2017-04-15 This volume is the first sustained examination of epistemic situationism the clash between virtue epistemology and the situationist hypothesis inspired by research in empirical psychology Situationism began as a challenge to the psychology of character traits targeting ethical theories that presuppose a trait psychology Psychological research suggests that often trivial environmental variables have greater explanatory power than character traits Epistemology pursues questions about the nature of knowledge While there are internal differences within virtue epistemology between responsibilists and reliabilists they all analyze knowledge in terms of epistemic virtues and vices However despite promising normative results virtue epistemology appears to assume the same character based psychology as virtue ethics does Until recently virtue epistemology and situationism were separate literatures but philosophers have begun to examine the apparent incompatibility between situationist psychology and virtue epistemology Much of the psychological research that raises questions about the empirical adequacy of the moral psychology of virtue ethics also appears to raise doubts about the empirical adequacy of the epistemic psychology assumed by virtue epistemology Responsibilist virtue epistemology appears particularly vulnerable because epistemic virtues like open mindedness conscientiousness and intellectual courage are traits of intellectual character but reliabilist virtue epistemology appeals to the psychology of cognitive skills abilities and competences that may be similarly vulnerable The essays in this volume take up this new problem of epistemic situationism from multiple points of view some sceptical or revisionary others conservative
