The Rough Guide to USA Samantha Cook, Greg Ward, Tim Perry, Rough Guides (Firm), 2004 The Rough Guide to the USA is the most comprehensive and colourful guide to the fifty states available. There are lively accounts of every region and attraction from the bright lights of Broadway to the vast open plains of Wyoming. The guide gives refreshingly opinionated reviews of the established sights and landmarks as well as uncovering many of the lesser known gems allowing the visitor to make the most of their trip. There are feature boxes that provide information on a variety of subjects from the Delta blues to the geology of the Grand Canyon. There are also maps and plans to help you navigate around the major attractions inner city streets or interstates. [Microtimes](#), 1993-04 [The Financial Times Guide to Social Media Strategy](#) Martin

Thomas, 2018-12-05 The FT Guide to Social Media Strategy provides a clear roadmap with practical guidance, inspirational case studies and proven methodologies. You'll understand how to use social media and gain competitive advantage by generating better results, making more sales, building stronger and more valuable networks and enhancing the potency of their personal digital brand. You'll also discover plans and processes to manage and mitigate against the risks of social media. This book is broken down into three core sections focusing initially on the core social media knowledge that every business professional needs before moving on to the use of social media to develop a personal digital brand and finally an explanation of how to harness the power of social media to boost business performance. Presented in a user friendly language with clear guidelines, informative case studies and practical advice, each chapter features a mix of case studies, practical advice, the latest research and intelligence from leading social media specialists and the outcome of interviews with business leaders, marketing and social media experts and industry commentators. The full text is downloadable to your computer. With eBooks, you can search for key concepts, words and phrases, make highlights and notes as you study, share your notes with friends. eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download, available online and also via the iPad and Android apps.
