thriller Nichole's struggle for survival takes center stage as she grapples with the unthinkable and confronts the darkness lurking within her once promising family. Recent reviewers have said: Everything about Winter's Child is absolutely terrifying. I had things to do this week Time sensitive things that needed my attention. People in my life that needed caring for. Instead I holed up and speed read this compulsively tantalizing little horror thriller novel. Highly recommend. It's fun, it's creepy, it's unexpected. Would you protect this child at all costs no matter what I loved every second of this thriller. Definitely a must read for anyone looking for a thriller suspense book. Strap on your seatbelt and prepare yourself for one wild rollercoaster of a ride through this story. Excellent book. Such an original story line. I'm struggling to write this review because I do not want to give anything away. You just have to read it for yourself. Winter's Child is a taut and chilling thriller from Christine Shuck a gripping page turner in the tradition of Gillian Flynn, Willow Rose, Jayne Renshaw and Sarah Denzil.
