 Brouillette, 1999 This primer explains school choice historically reviewing the origins and growth of tax funded schools  
 nationwide and how they became synonymous with public education It examines the rise of government funded and operated  
 schools in Michigan through the efforts of Isaac Crary and John Pierce and describes the negative effects of a 1970 state  
 constitutional amendment that severely restricts parents ability to exercise school choice The primer demonstrates the  
 failure of many past and present education reforms including ever increasing funding to significantly improve the quality of  
 government education and it explains different types of school choice including intra and inter district choice charter schools  
 tuition vouchers and tax credits Finally it evaluates the progress of school choice programs available nationwide identifies  
 individuals and organizations who support oppose or are ambivalent to greater school choice in Michigan and outlines  
 strategic plans that parents and other concerned citizens can follow to get involved in efforts to improve education through
