The American Monthly Review of Reviews ,1904 What Works Clearinghouse Quick Review: "Can Scholarships Alone Help Students Succeed? What Works Clearinghouse (ED),2013 Can Scholarships Alone Help Students Succeed Lessons from Two New York City Community Colleges examined the effects of performance based scholarships for low income community college students ages 22 35 who were required to enroll in remedial courses The study evaluated the impact of the scholarships on continued community college enrollment credits attempted and earned and cumulative grade point average GPA All study subjects were eligible for Pell Grants Study authors randomly assigned 1 502 students at two New York City community colleges into one of three groups a students were offered a performance based scholarship for two semesters up to 2 600 b students were offered a performance based scholarship for two semesters plus one summer term up to 3 900 and c students were not offered a performance based scholarship though these students were still eligible to receive other financial aid Scholarships were awarded directly to students on top of their existing financial aid at the beginning

middle and end of each semester contingent on their continued enrollment and grades The two scholarship groups were combined for most analyses Study authors reported findings for a number of outcomes related to enrollment course taking and grades The portion of the study that examined enrollment rates reported that at the end of the two semester program 78 1% of the scholarship students were still enrolled versus 76 6% of the students in the control group Enrollment for the scholarship and control groups respectively was 61 9% versus 60 7% one semester after the program ended and 51 2% versus 49 5% two semesters after the program ended None of these differences are statistically significant Mandates and Missteps Anna Kent,2024-02-02 Mandates and Missteps is the first comprehensive history of Australian government scholarships to the Pacific from the first scheme in 1948 to the Australia Awards of 2018 The study of scholarships provides a window into foreign and education policy making across decades and the impact such policies have had on individuals and communities This work demonstrates the broad role these scholarships have played in bilateral relationships between Australia and Pacific Island territories and countries The famed Colombo Plan is here put in its proper context within international aid and international education history Australian scholarship programs it is argued ultimately reflect Australia and its perception of itself as a nation in the Pacific more than the needs of Pacific Island nations Mandates and Missteps traces Australia s role as both a coloniser in the Territory of Papua and New Guinea and a participant in the process of decolonisation across the Pacific This study will be of interest to students and scholars of international development international education and foreign policy **Review of Reviews for Australasia** William Henry Fitchett, Henry Stead, William H. Judkins, 1902 **The Cambridge Review** ,1898 Vols 1 26 include a supplement The University pulpit vols 1 26 no 1 661 which has separate pagination but is indexed in the main vol Catholic Educational Review Edward Aloysius Pace, Thomas Edward Shields, 1920 **Leather Trades' Review** ,1903 **Saturday Review** ,1879 **Western Insurance Review** ,1911 Catalog of Federal Domestic Assistance ,1991 Identifies and describes specific government assistance opportunities such as loans grants counseling and procurement contracts available under many agencies and programs
