medical community knows it works And now you do too There's absolutely no reason to be skeptical about following this diet since it's mostly just real food that you probably have in your kitchen right now And it just plain works The Dash Diet can help you begin losing weight in days And unlike fad diets The Dash Diet is safe and surprisingly easy to follow At last you can finally start to lose those unwanted pounds and keep them off The Dash Diet involves choosing from real foods that you can get in any supermarket Quite simply it's a balanced diet with healthy food groups that your body needs You can even eat desserts on the Dash Diet So whether you've had weight loss surgery or you're just slightly overweight or you're morbidly obese this diet will work for you The one thing it lacks is a whole lot of hype There's no sexy spokesmodel endorsing it There's no annoying late night infomercial trying to sell it The Dash Diet is an affordable program designed to give you long lasting results So why not start shedding those unwanted pounds today and begin enjoying a lifetime of good health

### **Diets Don't**

**Work and Scales Suck** Scott Hill, 2022-09-09 The aim of Diets Don't Work and Scales Suck is to shift the perspective from simply obtaining weight loss on the scales towards achieving healthy and sustainable fat loss It seeks to help anyone who has struggled with the traditional dieting and scales mindset both physically and psychologically Weight issues affect everyone if not directly then through friends and family A lot of it comes down to mental barriers built by multi billion dollar diet and fitness industries and this book seeks to break these down and provide effective strategies to achieve healthy and sustainable fat loss 67% of adult Australians are overweight or obese 1 in 4 adult Australians will try a diet this year 80-95% of diets fail Diets have been failing for over 60 years and it's only getting worse With the changing way of the world post pandemic many people are trying to find out what they want from life For a lot of people this is losing weight But rather than jump back on the diet yo yo train this book will teach them that it is possible to lose weight and still get to enjoy life and food As a sports physiotherapist and strength coach I take great pride in helping people achieve their health goals regardless of whether they are new to the game or a veteran yo yo dieter That is the heart behind this book knowing a huge amount of Australians and people worldwide could benefit from it The fact 1 in 4 are already seeking the answers to their fat loss issues this book will cut through the confusion and old mindsets and take them straight towards their goals in a way that is both healthy and sustainable
