Meal Planning for Beginners Alexander Phenix, 2020-03-12

If you've been finding meal planning difficult, perhaps always silently whispering statements like, "do we really have to eat again today?" or "can't I just order takeout each time you think about dinner?" then keep reading. You are about to learn how to turn your arduous meal prep time into an enjoyable, easy hobby by learning how to unleash the full power of meal planning that will not only ensure you have ready, healthy meals but more variety, less stress, and also save you money and time. Are you sick and tired of creating and scrapping off dozens of meal plans and strategies before they see their second week? Do you finally want a way to manage your time as a busy person and still prepare fresh delicacies for your large family, no matter the day of the week? Are you ready to say goodbye to hating cooking, feeling like it's a punishment, or eating the same plain, boring meals over and over again? If so, you've come to the right place. Meal planning is one of the biggest bane's mothers and other busy people have to deal with on a regular basis, but you can be the first person to TRUTHFULLY say that meal planning is easy. And getting there is easier than you think. All you need is an expert-approved guide to take you from seeing cooking or meal prepping as a costly punishment to a hobby and a fulfilling, fun activity that always sparks and amps your creative energy. For this reason, I give you **Meal Planning for Beginners**, the only guide you'll need to stop looking at the clock after 5 pm, worriedly stop trying to get used to the hassle, start over, and have a great, effortless meal planning and cooking experience. Henceforth, I know you may be wondering, "What kind of recipes should I be thinking about? How do I prepare my meals if I'm on a tight budget? Are there smart shopping techniques to simplify this? What if I don't know how to cook? What is the best approach to plan my meals so that I have a steady supply of delicious meals every single day of the week? What mistakes should I watch out for that may make my meal planning process a mess?" If you have these and other related questions, this book is for you, so keep reading, as it contains all the details you need to become an expert meal planner and cook. Here's a more precise list of topics you'll find in the book: The basics of meal planning, including what it entails and the best approach to meal prepping to ensure you have a steady supply of whole, healthy meals every day of the week. The benefits of meal planning and the problems it solves. How to write out recipes that you will be making and organize them nicely in a system that works for you.
