## **Sound Guide:**

*The SOS Guide to Live Sound* Paul White, 2014-04-03 If you've ever handled live sound you know the recipe for creating quality live sound requires many steps Your list of ingredients shall we say requires an understanding of sound and how it behaves the know how to effectively use a sound system and the knowledge to choose and use your gear well Add a dash of miking ability stir in a pinch of thinking on your feet for when your system starts to hum or the vocals start to feed back and mix In practice there really is no recipe for creating a quality performance Instead musicians and engineers who effectively use sound systems have a wealth of knowledge that informs their every move before and during a live performance You can slowly gather that knowledge over years of live performance or you can speed up the process with *The SOS Guide to Live Sound* With these pages you get practical advice that will allow you to accomplish your live sound goals in every performance Learn how to choose set up and use a live performance sound system Get the basics of live sound mixing save money by treating your gear well with a crash course in maintenance and fix issues as they happen with a section on problem solving full of real world situations You'll also get information on stage monitoring both conventional and in ear along with the fundamentals of radio microphones and wireless mixing solutions Finally a comprehensive glossary of terminology rounds out this must have reference

*The Sound Guide* Chaz Celaya, 2013-12 Practically every church in the free world utilizes a sound system but an alarmingly small amount of churches actually have trained personnel who can acceptably operate the system and allow the congregation to simply focus on Jesus *The Sound Guide* is designed to cut to the chase and get right into the foundational elements that every sound person must know With an easy to understand approach this book demystifies and brings clarity to the essentials of the Audio Ministry *The Sound Guide* is simply a must read for any person involved or affected by audio in the church

*Sound and Noise* Marcia Jenneth Epstein, 2020-10-30 This book is about how you listen and what you hear about how to have a dialogue with the sounds around you Marcia Jenneth Epstein gives readers the impetus and the tools to understand the sounds and noise that define their daily lives in this groundbreaking interdisciplinary study of how auditory stimuli impact both individuals and communities Epstein employs scientific and sociological perspectives to examine noise in multiple contexts as a threat to health and peace of mind as a motivator for social cohesion as a potent form of communication and expression of power She draws on a massive base of specialist literature from fields as diverse as nursing and neuroscience sociology and sound studies acoustic ecology and urban planning engineering anthropology and musicology among others synthesizing and explaining these findings to evaluate the ubiquitous effects of sound in everyday life Epstein investigates speech and music as well as noise and explores their physical and cultural dimensions Ultimately she argues for an engaged public dialogue on sound built on a shared foundation of critical listening and provides the understanding for all of us to speak and be heard in such a discussion *Sound and Noise* is a timely evaluation of the noise that surrounds us how we hear it and what we can do about it
