**Smartphone and App Implementations that Improve Productivity** Tahir M. Nisar, 2019-05-20 The introduction of digital applications into businesses has revolutionized the way employees and managers carry out their jobs while also benefiting them socially. Smartphone and App Implementations that Improve Productivity looks at the benefits of apps in the workplace and introduces academic perspectives that link prospective advantages with practical commercial examples. The analysis is structured into chapters that include real world application while at the same time critically assess implied benefits of the new app technology and draw out the main findings and conclusions. Tahir M. Nisar brings into focus the emerging role of digital applications and big data in enterprise decision making. Readers will learn how companies can

achieve more efficiency and effectiveness in their business operations through new types of organizational design strategies and mechanisms of employee mobility and work life balance that draw on digital apps **Digital Marketing** Dave Chaffey, Fiona Ellis-Chadwick, 2019-02-05 Now in its seventh edition Digital Marketing provides comprehensive practical guidance on how companies can get the most out of digital media and technology to meet their marketing goals **Essential Operations Management** Alex Hill, Terry Hill, 2017-11-01 The second edition of this innovative core textbook spans the service and manufacturing sectors equipping readers to grasp and overcome the core challenges faced in planning, designing and implementing operations. The prestigious and well-respected author team takes a tasks and challenges approach that marries theory to their extensive practical experience of running operations in high-profile business settings while reflecting their clear vision and personal philosophy of operations management. Packed with engaging learning features that truly bring the subject to life, the text provides a concise and real-world-orientated look at the key parts of an operations manager's job. This textbook is an ideal course text for undergraduate, postgraduate, and MBA students taking a module in operations management or manufacturing services operations. New to this Edition: New and greatly expanded coverage of the most relevant contemporary topics in OM including corporate social responsibility and ethics, lean manufacturing, outsourcing vs insourcing, and zero-hour contracts. Over 30 new and updated cases from a wide range of international companies including Apple, Samsung, and Uber. Increased focus on strategy with an expanded emphasis and new dedicated sections on improving operations that place OM firmly at the centre of organizational considerations **Scaling Success** Amelia Green, AI, 2025-02-21 Scaling Success offers entrepreneurs and managers vital strategies for transforming small projects into large-scale operations. The book emphasizes the need for strategic planning, operational efficiency, and leadership development, addressing common pitfalls that can hinder innovation and profitability during scaling. It highlights that poorly managed scaling can lead to decreased quality and reduced customer satisfaction, ultimately impacting business success. The book takes a holistic approach, integrating strategic vision with operational excellence and effective leadership. It argues that sustainable growth is not just about increasing revenue but about building a resilient organization that adapts to market conditions while maintaining core values. Using empirical research, case studies, and expert interviews, the book progresses through sections on strategic planning, market analysis, competitive positioning, financial forecasting, operational efficiency, process optimization, supply chain management, technology adoption, and leadership development, team building, communication strategies, and organizational culture. The book culminates with practical applications and actionable strategies for implementation. It uniquely emphasizes the importance of organizational culture in scaling, showcasing how a strong values-driven culture can be a competitive advantage. By blending academic rigor with real-world examples, Scaling Success provides accessible and practical guidance for navigating the complexities of business growth and business management.
