*Cosmopolitan English and Transliteracy* Xiaoye You,2016-08-31 Winner CCCC Research Impact Award 2018 Despite the vast number of multilingual speakers in the United States and the pervasive influence of globalization writing studies in this country is still inextricably linked to a nationalistic monolingual English ideology In *Cosmopolitan English and Transliteracy* Xiaoye You addresses this issue by proposing that writing studies programs adopt a cosmopolitan perspective Emphasizing local and global forms of citizenship and identification You merges a humanistic vision with the rigor of social science arguing that linguistic and cultural differences can be explored to recover human connections normally severed by geographical and semiotic borders You examines several areas of writing affected by globalization He then turns to the composition classroom highlighting the challenges and possibilities of crossing cultural boundaries in academic discourse before introducing a pedagogy aimed at fostering American students translingual and transcultural sensibilities Included is a model for training writing teachers in the context of globalization which aims to help instructors gain practical knowledge about the needs and resources of multilingual writers through communication technologies and cross cultural partnerships By introducing cosmopolitan perspectives into the composition classroom You challenges traditional assumptions about language identity and literacy as they relate to writing studies Innovative and provocative *Cosmopolitan English and Transliteracy* charts a new way forward for writing programs with a call to focus on global rather than national identity

The Politics of Translingualism Jerry Won Lee,2017-09-22 Translingualism refers to an orientation in scholarship that recognizes the fluidity of language boundaries and endorses a greater tolerance for the plurality of Englishes worldwide

However it is possible that translingualism exacerbates the very problems it seeks to redress This book seeks to destabilize underlying attitudes inherent in the narrowly conceptualized view of Englishes by pushing forward current theories of translingualism and integrating cutting edge scholarship from sociolinguistics critical theory and composition studies The Politics of Translingualism pays particular attention to the politics of evaluating language including different Englishes at a moment of unprecedented linguistic plurality worldwide The book draws on analyses of a wide range of artifacts from television commercials social media comments contemporary and canonical poetry contemporary and historical English phrasebooks commercial shop signs and the writing of multilingual university students The volume also looks outside the classroom featuring interviews with recruiters in a number of professional fields to examine the ways in which language ideologies about Englishes can impact students entering the workforce This book offers an innovative take on current debates on multilingualism and global Englishes serving as an ideal resource for students and scholars in applied linguistics sociolinguistics composition studies education and cultural studies
