**Places of Pilgrimage for American Travellers** Great Western Railway (Great Britain),1925 The Darker Side of Travel Richard Sharpley,Philip R. Stone,2009-08-25 Over the last decade the concept of dark tourism has attracted growing academic interest and media

attention Nevertheless perspectives on and understanding of dark tourism remain varied and theoretically fragile whilst to date no single book has attempted to draw together the conceptual themes and debates surrounding dark tourism to explore it within wider disciplinary contexts and to establish a more informed relationship between the theory and practice of dark tourism This book meets the undoubted need for such a volume by providing a contemporary and comprehensive analysis of dark tourism The Principles of Geotourism Anze Chen,Yunting Lu,Young C.Y. Ng,2015-05-07 The book introduces tourism earth science as a new scientific discipline by applying the principles of earth science in the study of natural and human tourism resources It involves studying the geo scientific characteristics of these tourism resources through surveys evaluation and aesthetic value assessment It also discusses about the principles behind geopark establishment and management It is an important publication providing direction for geopark and tourism developments in China The book is a tool for geological heritage survey assessment and research It can also be used to assist planning of geopark national parks heritage protection and scientific interpretation It is a valuable teaching material for teachers and students of geoscience and tourism as well as providing useful guidance for geopark managers and tour guides in their operation In addition the book also offers scientific knowledge of the surrounding natural and cultural landscapes to the public and the general visitors
