blinded by their own ignorance Some adults are determined to make the business of the game just as important as the game itself For every Little League or Travel Ball parent who shouts obscenities at the umpire or coach there is the team's smallest player standing in right field scared silent and hoping the ball is not hit to him A little kid can throw and catch a baseball or softball ball long before he or she can properly shoot a basketball or throw a perfect football spiral Thus the emergence of the early age of kids desire to play baseball and softball Parents can obtain a better understanding to as to where their dollars go in Travel Ball Make no mistake with Travel Ball you pay you play Share unbelievable and fascinating stories of crazed parents coaches and fans earning their place in Travel Baseball and Softball lore Coaches can get crazy too The game always begins with pitching When all goes well for the pitcher everyone enjoys it except the batter The pitcher is very likely to be the coach's son or daughter A kid's message to his or her parents might say I am just a kid The umpires are human My coach is a volunteer It's just a game No athletic scholarships will be handed out today Enjoy the game and Let the kids play
