Waiting For Christopher:

Waiting for Christopher Louise Hawes, 2006-05 Shortly after moving with her mother to Florida a lonely fourteen year old bibliophile is reminded of her infant brother who died and decides to care for an abused abandoned child with help from a new friend *Waiting for Christopher* Sam Cowen, 2007 **Waiting for Christopher** Louise Hawes, 2013 Shortly after moving with her mother to Florida a lonely fourteen year old bibliophile is reminded of her infant brother who died and decides to care for an abused abandoned child with help from a new friend *The Secret Lovers* Charles McCarry, 2006-11-23 An American spy confronts personal and political intrigues when he obtains a Russian dissident's explosive manuscript in this Cold War spy thriller In West Berlin CIA agent Paul Christopher receives a dissident Russian novelist's handwritten manuscript from a nervous courier Minutes after the handoff the courier's spine is nearly snapped by a passing black sedan Meanwhile in Rome Christopher's wife Cathy takes a famous film director as a lover to stir her husband out of his cool and unfeeling stoicism These two seemingly discrete events set in motion a spiral of operational and personal intrigue that leads Christopher from clandestine meetings in the cafes of old Europe to a rendezvous with an operative on the front lines of the Cold War in the Congo All the while he secretly arranges the publication of a novel that could bring the Soviet system to its knees and races to identify the leak that compromised the messenger and possibly his entire mission *Murder Academy*, *The Crowded Shadows* Celine Kiernan, 2010-07-01 Every tyrant who ever threatened the Kingdom is gathering to Alberon's table and the forest is alive with spies wolves and bandits Within these crowded shadows Protector Lady Wynter Moorehawke travels alone and unprotected determined that she shall find the rebel prince and heal the rift that has come between the King and his legitimate heir But who is an ally and who is a foe In this the second volume of The Moorehawke Trilogy old friends and even older enemies ensure that Wynter is never certain of who she can trust *Joshua the Rogue* Kreative Leo, 2011-04-21 It is a different world almost fantasy like a dark fantasy There are creatures thought to be myth by most that have come to be known as real These creatures are vampires werewolves demons and a lot more things out there Although calendars are not in heavy circulation it should be a couple decades into the 31st century There is no more society like I used to know I was born in the year 1976 I am old but not immortal at least I hope not *Christopher's Ghosts* Charles McCarry, 2008-09-02 A CIA agent faces off against a sadistic SS officer in this Cold War spy thriller that will have readers on the edge of their seats Bookmarks Magazine It is the late 1930s and a young Christopher bears witness to an unspeakable atrocity committed by a remorseless SS officer Fast forward to the height of the Cold War and the SS man emerges out of the ruins of post war Germany to destroy the last living witness to his crime It's a case of tiger chasing tiger as Christopher is pursued by the only man who can match his craft or his instincts Praise for Christopher's Ghosts McCarry takes the story of his recurring master spy Paul Christopher back to its wildly romantic beginning Former spook McCarry remains at the top of his game Kirkus Reviews McCarry remains a compelling storyteller
