Walker & Walker's English Legal System Richard Ward (LL.B.),2008 **Walker & Walker's English Legal System** Ronald Jack Walker,2011 **Walker and Walker's English Legal System** Ronald Jack Walker,1994 **Walker and Walker's English Legal System** Richard Ward (LL.B.),Ronald Jack Walker,1998 Walker and Walker's English Legal System is long established as the standard text in this area providing the first and last point of reference for students who need a clear understanding of this vital subject Changes to and within the English Legal System since the last edition have been considerable the pace of change often being frantic The new edition reflects these changes whilst providing a clear and concise exposition of the main principles rules and issues involved Walker and Walker's English Legal System R. J. Walker,1998-07 Intended for students preparing for degree Bar and Law Society examinations this volume serves as a reference to most aspects of the English legal system Whitaker's Cumulative Book List ,1985 Bowker's Law Books and Serials in Print ,1986 **Tort Law and Economic Interests** Peter Cane,1996 This book is about the way in which the law of torts protects financial assets such as money property and contracts It focuses on the interests protected and does not follow the usual textbook arrangement of the law according to the various torts such as trespass negligence and defamation The discussion goes well beyond the debate about recovery for economic loss in negligence as it places that debate in a much wider context The introduction explains the notion of economic interests and why this has been chosen as the focus of attention The second part gives an account of the relevant rules of tort law while the third part examines the relationship between tort law and other techniques for protecting economic interests such as regulation and insurance The final part discusses the aims and functions of tort law Many of the issues discussed receive very little attention in most tort texts

Continuity, Influences and Integration in Scottish Legal History Hector MacQueen,2021-12-07 David Sellar was a pioneering historian of Scots law who rejected previous interpretations of the subject as a series of false starts and rejected experiments He emphasised instead the continuity of legal development with change a process of integration of external influences from very early times on Sellar's approach articulated mainly through essays published in diverse places over four decades significantly influenced our general understanding of legal history in Scotland as well as leading to appreciation elsewhere of its comparative significance By gathering Sellar's major essays in a single collection this book demonstrates the scope and reach of Sellar's overall contribution It provides an opportunity to view Sellar's work as a whole and to access his distinctive perspective on the overall trajectory of Scottish law Australian national bibliography ,1961 **British Books in Print** ,1979 The British Library General Catalogue of Printed Books to 1975 British Library,1986 The British National Bibliography Arthur James Wells,1992 Current Law Index ,1996 **"A" New English Dictionary on Historical Principles** William A.
