

Red Sox win Series, 278-1

MICHAEL MADDEN

"It hasn't diminished all that much. The mornings come, sleep ends, and I sometimes find myself walking and still saying to myself, 'It couldn't have happened. They didn't really lose that game.'

So I talked with Mike Cieplinski. I asked Cieplinski if he could compute the random waywardness of life and tell me exactly how many games would have to be played for it again to end that way. Cieplinski said he should try.

"There's gotta be the 100th," I said.

"OK."
"Nobody on base."
"Left field."
"Gary Carter up."

"Right."

"Calvin Schenck's pitching. The crowd deadly quiet and Keith Hernandez already back in the locker room, peeling off his uniform."

"Catcha."

Now, some background. Cieplinski, a young man from Brookfield, Wis., is the originator of a wonderful baseball board game that is extraordinarily sophisticated and most realistic. It is called Pursue The Pennant (844-4445, P.O. Box 1045, Brookfield, Wis., 53005), and it is played with dice and cards bearing the statistical idiosyncrasies of major league players. It even comes with its own ballpark, games in Fenway Park obviously being much different from games in the Astrodome (Cieplinski, for instance, soon will factor in the dif-

ference in home runs during the day and at night in Oakland).

Beyond the mathematical intricacy of Pursue The Pennant (you can picture Bill James calculating the Elias Sports Bureau's long-distance game or two of Pursue The Pennant during lunch breaks), the game also boasts all kinds of unpredictable anomalies, whether the wind is blowing in or out, artificial turf or grass, Dan Dierker's card, for instance, comes with a special SPFT symbol, and the proper roll of the dice will find Sutton tossed out of the game for dampening the ball. (Jacques Andruet, Mario Soto and Francisco Pena have special HOF symbols on their cards, and the proper roll of the dice will result in anything — bushhook pitches, bunts, pitchers throwing no-hitter and bunting with runners.)

But the game is remarkable in its ability to duplicate real baseball players in real baseball situations. Sammy Stewart pitching against Kirk Gibson will find more than a few balls atop the roof of Tiger Stadium. And on a sunny afternoon in Milwaukee in late September, Cieplinski and I began play in the upcoming playoff series between the Red Sox and Angels. The Pursue The Pennant series ended with Boston beating the Angels in seven, Roger Clemens pitching and winning the final game. Later the real series was played and...

But this time I wanted to know the past. This time I wanted Cieplinski to play Game 5, and tell me whether the past was as incredible as it seemed. This time I wanted to know whether the real was unreal.

This time I wanted Cieplinski to stoke up his game from two outs in the 10th inning, the Red Sox leading by two runs, nobody on base for the Mets, and then tell me how long it would take for the Mets to win. He promised to

give it a try. The word, the word from the memory, came back.

"I was up 40 nights until I finally gave up," said the developer of the game. "With two outs — even if you get one or two base runners — you usually get an out. That's what kept happening. I kept getting an out ... actually, I had thoughts of this the whole winning never happening."

Cieplinski kept trying the next morning, fifty times he played the game from that point, and so began the Red Sox series. He believed that the dice were rolled, statistical probabilities measured, and 100 times the Mets lost. Then 150 times, 200, on and on, to 250 times, the Red Sox winning each and every of the 250 times.

"I really gained an appreciation of what the Mets did in that miracle rally," said Cieplinski. "Just as I had an understanding, given Boston's background, of what the Red Sox went through in losing the game that way."

"Finally, on the 279th try, the Mets won the game," he said. "Carter doubled into the gap in left-center, Kevin Mitchell homered, Ray Knight singled to center and Mookie Wilson homered to left. It took me 279 tries to duplicate what the Mets did — that sixth game."

I was aghast. I asked him to play out the game in a different way. I asked him to put Dave Stapleton at first base, remove Bill Buckner, and then play out the 10th inning with the game tied. Bob Stanley in for Boston and Wilson at the plate for the Mets.

"Stapleton made the play cleanly," came back Pursue The Pennant's handling of Wilson's grounder to first. The game now moved into the 11th. Doug Sisk pitching for the Mets, and neither team scored, although Dwight Evans saved the game for Boston with a "great over-

the-shoulder grab on the dead man" of Wendy Backman's long drive in the bottom of the 11th.

Red Sox scored in the 12th or 13th (Wilson and Doug Orton each having runners on base, although Pursue The Pennant was forced to make a double switch for the Red Sox when Steve Crawford got into trouble in the bottom of the 12th, with Lenny Dykstra on second, Joe Samuels replaced Crawford and batted eighth). Ed Roush struck Michael Jordan out in the 13th, while Samuels got out of the jam by getting Backman to fly to Dave Henderson in center.

The double switch worked. Roush opened the 14th by downing to left-center, and he was driven home by a Wade Boggs double to the same spot. Jim Rice ultimately homered in. Boggs ultimately homered in. Rice ultimately homered in. Boggs got the Mets 1-3 in the bottom of the 14th and Red Sox won the game, 7-6, and the World Series.

I kept looking at the play-by-play sheets of the mock games. The world seemed more sane somehow. That is, until I looked down to the bottom of the last sheet where there was a sort of P.S.

"Replay of Game 5 of the ALCS," it read. "What would have happened if Gene Mauch had left Mike Witt in to face Rich Gosselin with no one on, and the Angels leading, 5-4?"

Pursue The Pennant had the answer.

"Cedman grounded a single into center field. Henderson hit a sharp grounder through the hole past Grich as first. Cedman to second (Witt fatigued). Owen hit a high fly to Pettit in center field. Game over."

On second thought, I think I'll take reality.

Michael Madden is a Globe columnist.

World Series Review Open Now Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free World Series Review Open Now PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that

while accessing free World Series Review Open Now PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of World Series Review Open Now free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About World Series Review Open Now Books

1. Where can I buy World Series Review Open Now books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
