Return of the Hustle Eric Sheinkop, 2016-03-11 Has a commercial ever brought you to tears Has a movie ever inspired you so much you change your way of life Has the series finale of a television show ever broken your heart Has a video game ever altered your perception of reality If you're like most consumers you answered yes to at least one of those questions Whether you remember it or not the music of that ad film show or game probably played a big role in influencing your emotional response during that experience In fact music is included in media specifically for the purpose of connecting with audiences on a deeper level that visuals alone cannot access A strong music strategy is fundamental to the success of television film brands and video games Because of higher expectations for audiovisual content it will take more than clever animation or a celebrity cameo to connect with consumers in an authentic organic way By providing audiences with a genuine music experience whether with an exclusive song through an artist partnership or by featuring new music from an emerging band you can build a bond that extends far beyond product experience Music touches us emotionally in a way that words seldom do We feel it we remember it In *Return of The Hustle* a leading music and marketing industry insider discusses the diverse audio touchpoints for four key industries and shows how marketers storytellers and advertisers can use music to effectively guide audiences along the customer journey from passive consumers to brand advocates *Return of The Hustle* provides readers with a blueprint for music strategy that professionals at any level in any industry can use to attract consumers immerse them into the content and extend relationships between them and the brand long after the commercial ends or the credits roll With detailed case studies exhaustive interviews and thorough research *Return of the Hustle* gives readers the playbook to use the marketing power of music to drive business results

The Aeroplane , 1920 **The Other Bridget** Rachael Johns, 2024-01-30 Prolific entertaining and charming Rachael Johns is arguably the best romantic writer in Australia The Australian Named after a famous fictional character librarian Bridget Jones was raised on a remote cattle

station with only her mother's romance novels for company. Now living alone in Fremantle, Bridget is a hopeless romantic. She also believes that anyone who doesn't like reading just hasn't met the right book yet and that connecting books to their readers is her superpower. If only her love life was that easy. When handsome Italian barista Fabio progresses from flirting with love hearts on her coffee foam to joining the book club she runs at her library, Bridget prays her romance curse won't ruin things. But it's the attention of her cranky neighbour Sully that seems to be the major obstacle in her life. Why is he going to so much effort to get under her skin? With the help of her close friends and the colourful characters who frequent her library, Bridget decides to put both men to the test by finding just the right books to capture their very different hearts. She soon discovers that not all romances start with a meet-cute but they might just end in happily ever after.

Written by Australia's most beloved romance writer, *The Other Bridget* is a delightfully uplifting book about books and a gorgeous celebration of the power and pleasure of romance novels throughout the ages. *The Other Bridget* has everything a booklover could want in a great read. Our protagonist is a delight. Tick. She works with books. Tick. There's an all-star supporting cast. Tick. The two love interests are perfectly cast and the chemistry sizzles. Tick, tick. But also, this exceptional story has so much heart, humour, and intelligence. I often laughed out loud and yes, I even got teary. It delivers. *The Other Bridget* is Rachael at the top of her game. The writing sings. It's a superb celebration of libraries, friendship, and books. It will be difficult to top this for a feel-good read this year. Better Reading. Pure sunshine for the soul. I just loved it. Tess Woods, *Iron Age*, 1906

Start building a safe, smart investing portfolio.
