Justice Literacies in the English Classroom Ashley S. Boyd,2017 This timely book focuses on different social justice pedagogies and how they can work within standards and district mandates in a variety of English language arts classrooms With detailed analysis and authentic classroom vignettes the author explores how teachers cultivate relationships for equity utilize transformative language practices demonstrate critical caring and develop students critical literacies with traditional and critical content Boyd offers a comprehensive model for taking social action with youth that also considers the obstacles teachers are likely to encounter Presenting the case for more equity oriented teaching this rich resource examines the benefits of engaging students with critical pedagogies and provides concrete methods for doing so Written for both pre and inservice teachers the text includes adaptable teaching models and tested ideas for preparing to teach for social justice This is an appealing vision for the future for it bears much promise for our classrooms and also for the future our students will both shape and inhabit From the Foreword by Deborah Appleman Carleton College Through the careful observation and analysis of three teachers with different approaches to teaching critical literacy Ashley Boyd provides a repertoire of practices rich with detail Hilary Janks Wits University South Africa This important book counters the belief of so many teacher educators who think that social justice asks too much of teachers George W Noblit The University of North Carolina at Chapel Hill

See You in the Streets Ruth Sergel,2016-06 2017 American Book Award Winner from the Before Columbus Foundation In 1911 a fire at the Triangle Shirtwaist Factory in New York City took the lives of 146 workers most of them young immigrant women and girls Their deaths galvanized a movement for social and economic justice then but today s laborers continue to battle dire working conditions How can we bring the lessons of the Triangle fire back into practice today For artist Ruth Sergel the answer was to fuse art activism and collective memory to create a large scale public

commemoration that invites broad participation and incites civic engagement See You in the Streets showcases her work It all began modestly in 2004 with Chalk an invitation to all New Yorkers to remember the 146 victims of the fire by inscribing their names and ages in chalk in front of their former homes This project inspired Sergel to found the Remember the Triangle Fire Coalition a broad alliance of artists and activists universities and unions more than 250 partners nationwide to mark the 2011 centennial of the infamous blaze Putting the coalition together and figuring what to do and how to do it were not easy This book provides a lively account of the unexpected partnerships false steps joyous collective actions and sustainability of such large public works Much more than an object lesson from the past See You in the Streets offers an exuberant perspective on building a social art practice and doing public history through argument and agitation creativity and celebration with an engaged public The Power of Words: A Transformative Language Arts Reader Caryn
