women as to men There s also a full color atlas of the female body and its various systems as well as an illustrated encyclopedia covering scores of disorders diagnostic procedures and treatments Throughout the text is written in clear understandable language supported by illustrations that make even the most complex material easily understandable Above all its tone is straightforward non political and objective Regardless of which roles you fill as a woman wife mother daughter caregiver employee we think you ll agree that The Good Housekeeping Illustrated Guide to Women s Health is the one indispensable book designed to make you an informed partner in your own health care BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved YMCA Walk Reebok Instructor's Manual ,1996
