Wallace D. Wattles,2017-04-27 This is the masterpiece The Science of collection by Wallace D Wattles This book deals with science not speculation The Science of Getting Rich is the first book of Wattles trilogy This book is pragmatical not philosophical a practical manual not a treatise upon theories It is intended for the men and women whose most pressing need is for money who wish to get rich first and philosophize afterward The Science of Being Great is the second book of Wattles trilogy As that book is intended solely for those who want money so this is for those who want the power of thought and positive self esteem as the only true measure of a person s greatness The Science of Being Well is the third book of Wattles trilogy This is for those who want health and who want a practical guide and handbook not a philosophical treatise It is an instructor in the use of the universal Principle of Life and my effort has been to explain the way in so plain and simple a fashion that the reader though he may have given no previous study to New Thought or metaphysics may readily follow it to perfect health In writing this book I have sacrificed all other considerations to plainness and simplicity of style so that all might understand The plan of action laid down herein was deduced from the conclusions of philosophy it has been thoroughly tested and bears the supreme test of practical experiment it works
