family's 150 year old newspaper is failing and Jet Talal the love of his youth has married into the family of Max Matheson one of a dozen powerful patriarchs who rule the town through the exclusive Bienville Poker Club To Marshall's surprise the Poker Club has taken a town on the brink of extinction and offered it salvation in the form of a billion dollar Chinese paper mill But on the verge of the deal being consummated two murders rock Bienville to its core threatening far more than the city's economic future An experienced journalist Marshall has seen firsthand how the corrosive power of money and politics can sabotage investigations Joining forces with his former lover who through her husband has access to the secrets of the Poker Club Marshall begins digging for the truth behind those murders But he and Jet soon discover that the soil of Mississippi is a minefield where explosive secrets can destroy far more than injustice The South is a land where everyone hides truths of blood and children of love and shame of hate and murder of damnation and redemption The Poker Club's secret reaches all the way to Washington D C and could shake the foundations of the U S Senate But by the time Marshall grasps the long buried truth about his own history he would give almost anything not to have to face it
