Introduction to Information Systems R. Kelly Rainer (Jr.),Brad Prince,Cristóbal Sánchez-Rodríguez,Sepideh

Ebrahimi, Ingrid Splettstoesser, 2023-10-23 As digital transformation becomes increasingly central to effective corporate strategy today's students must learn how information systems provide the foundation for modern business enterprises. Known for its rich Canadian content and focus on active learning, *Introduction to Information Systems Sixth Canadian Edition* shows students how they can use IS to help their current or future employers increase profitability, improve customer service, manage daily operations and drive impact in their markets. This course demonstrates that IT is the backbone of any business, whether a student is majoring in accounting, finance, marketing, human resources, production operations management or MIS. In short, students will learn how information systems provide the foundation for all modern organizations, whether they are public sector, private sector, for profit or not for profit.
